

Executive Summary

Prepared for Board of Trustees Meeting

October 22, 2019

Career & Technical Education Programs of Study

Board Goal:

- Cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments supporting all students
- Incorporate best practices into teaching, learning, technology and leadership
- Foster a positive, welcoming environment and encouraging parent and community Partnerships
- Remain committed to providing equitable and outstanding opportunities for every student on every campus
- Support college, career, military and life readiness

Purpose of Report

The provide the Board of Trustees with an overview of the TEA Program of Study initiative process and the possible impact to our district.

Objectives

- Inform the Board of the overall process of the Program of Study Initiative
- Share the Denton ISD Program of Study and Impact to the District

Operational Impact

During the budgeting process, we will be requesting this year for an additional Automotive teacher for the 2020-2021 School year.

Results

The result of the Programs of Study initiative will be the alignment with our Endorsement graduation plan, certifications and post-secondary programs for ease for our counselors, admin, parents and the students. Programs of study are aligned to the job skills and diverse needs of our economy to increase job opportunities for our students.
