Title IA/Parental and Family Involvement

The District recognizes that parent and family involvement is vital to achieve maximum educational growth for students participating in the District's Title IA program.

The Superintendent shall ensure equivalence among schools in teachers, administration; and other staff, and in the provisions of curriculum materials and instructional supplies.

Therefore, in compliance with federal law and Oregon Department of Education (ODE) guidelines, the District shall ensure that parents are provided information, in an annual school-based meeting, regarding their school's participation in the Title IA program and its requirements. Parents and family of participating students shall be informed of their right to be involved in the development of their school's Title IA plan and school-parent compacts. ~~This policy shall be reviewed annually, in cooperation with parents, by the District's Elementary and Secondary Education Act Committee and updated periodically to meet the changing needs of parents and schools.~~ *(This is repeated in new proposed AR)*

~~The District shall, to the extent practicable, provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, parents of homeless students, and parents of migratory students. Information and school reports will be provided in a format and language parents understand.~~
