BACKGROUND:

Arizona Governor Ducey has signed multiple new laws from the FY22 Legislative Session that affect schools. These laws become effective on September 29, 2021. They were reviewed during Board meetings in May, June and July 2021 as part of the periodic legislative updates. The Arizona School Boards Association, of which the District is a member, has provided recommended changes to school district policies for compliance with these laws. The proposed revisions necessary to address the changes in the law are provided with this item for consideration by the Governing Board. Administration recommends these changes be reviewed by the Governing Board at this meeting and approved at the September 28, 2021, Governing Board meeting.

Recommended additions are set forth in **blue** and recommended deletions are set forth in **red-strikethrough**.

RECOMMENDATION:

This item is presented for the Board's study at this time. The Board may direct further revisions as it feels are appropriate. The revised Policy and Regulation will be brought back at a later date for the Board's approval.
