**LAST DAY OF
SCHOOL**

JUNE 16TH

Cougar Nation,

Here comes Summer!!!

What a wonderful year it has been! I am so thankful to have had this time serving as the Principal here at Illinois Valley High School. We are very lucky to work with amazing students, and staff here at IVHS.

The school seems a bit quiet with our seniors gone already. While we miss them, it brings a new sense and feeling to the building for our students who will move up the ranks and take another step toward graduation and beyond.

Don't forget Summer School at IVHS will be running throughout the month of July. Please call or come into the building to sign up. This is a fantastic way to catch up on credits that your student may have missed during the year.

While I fully expect everyone to relax and enjoy the summer, I would also encourage you to talk with your student about his or her track in school and goals that they may have. If parents and students are on the same page it will give the student a better chance of attaining those goals.

Be Safe! Please be safe over the summer. We want to see you back in the fall, ready to go!

Thank You for a great year! I can't wait to see what next year has in store for Cougar Nation!

Tanner Smith

Information for Parents

If your family lives in any of the following situations:

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations, or
- Doubled up with friends or relatives because you cannot find or afford housing

Then, your preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

Your children have the right to:

- Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education, including preschool education, provided to other children.
- Continue in the school they attended before you became homeless or the school they last attended, if that is your choice and is feasible. If a school sends your child to a school other than the one you request, the school must provide you with a written explanation and offer you the right to appeal the decision.
- Receive transportation to the school they attended before your family became homeless or the school they last attended, if you or a guardian request such transportation.
- Attend a school and participate in school programs with children who are not homeless. Children cannot be separated from the regular school program because they are homeless.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.
- Receive the same special programs and services, if needed, as provided to all other children served in these programs.
- Receive transportation to school and to school programs.

When you move, you should do the following:

- Contact the school district's local liaison for homeless education (see phone number below) for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.
- Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.
