Create a positive learning environment for all students that is equitable, inclusive and focused on the whole child.

1. Inclusivity

The collective responsibility to provide equitable opportunities for access and promote active participation of all stakeholders in an accepting and supporting environment.

2. Positive Learning Environment

A place where all members of the school community are engaged in hands-on, real-world experiences and feel safe, empowered, supported and valued.

3. Equity

The practice of beliefs and creation of systems that provide access and opportunities, fair treatment, and full inclusion of all students. This applies across race, ethnicity, socioeconomic status, gender identity and expression, disability and different learning needs, sexual orientation, language, immigrant status, religion, and other characteristics in order to realize equitable opportunities and outcomes for everyone.

4. Whole-Child-Focused

Supporting, measuring and celebrating all aspects of a student's development (social/emotional, academic, physical, artistic) through caring and respectful relationships.
