Phil Baldwin	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the Garfield Scholars' Academy Charter ammendment request to waive licensure and full-time status for a school counselor for the 2024-2025 school year..
Dr. Sonja Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support Garfield Scholars' Academy Charter amendment request to waive licensure and full-time requirement for AY 25. The charter's temporary plan will allow other school personnel to support students. I appreciate the charter's willingness to partner with local mental health agencies to ensure the mental needs of their student are met.
Toyce Newton	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	
Freddie Scott	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the waiver request from Garfield Scholars Academy because of the finite window granted to address the specific areas of concerns on proper talent and plan for an acceptable budget to support the needs of the students.
Dr. Tina Moore	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I approve the Garfield Scholars' Academy Charter Amendment Request for the 2024-25 School Year for a waiver for a certified school counselor position to a non-certified position with a degree in the area of emphasis. Knowing the vital importance of this position to serve the needs of students, I encourage the school to ensure access to mental health and well-being services even on the days in which the counselor is not on campus.
Kim Davis	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	Due to the thoughtful plan to fill the gaps, I support the waiver request to ensure that students have the necessary support system for the 2024-2025 academic year while the school identifies a licensed counselor.
Dr. Matthew Sutherlin	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain
