

# Site Report – School Site – January , 2023

To: Superintendent Kasie Luke  
and LPSD School Board Members

From: Team Newhalen, Position

## Outstanding Activities and Events

This January was a busy week for our middle schoolers and high schoolers! Last week, we hosted the Jamboree and Mr. Jeff taught a Stop the Bleed course for one of our academic sessions. The students learned A(lert) B(leeding) C(ompression). They used simulated blood, pool noodles, and shaving cream to learn how to apply pressure, pack the wound, wrap the wound, and apply a tourniquet. We are thankful for Mr. Jeff's expertise and willingness to teach our students!

Additionally, Aileen Lester committed to Ottawa University for Wrestling and the school hosted a signing for her to sign her commitment letter. Congrats to Aileen!

Lastly, we have 9 students taking college classes this semester through Alaska Advantage - kudos to them for going above and beyond.

<b>Personnel</b>
Newhalen is excited to welcome our new tutor Jonathan Kunert . He will begin on Wednesday January 9th.
<b>Standards Based System/Curriculum Progress</b>
Seniors are wrapping up some final standards and beginning to make future plans.
<b>Technology Progress</b>
We ran a test run with esports on a couple computers students from around the district seemed to really enjoy playing.
<b>Facility Update</b>
On Monday we had a chance to spend extra time disinfecting equipment that the kids have used.
<b>LSAC Activity</b>
The Newhalen LSAC has been working hard to support the school through considerate planning for the spring semester and into next school year.
<b>Volunteer Report</b>
<b>Professional Development</b>
Newhalen sent 5 staff members to the RTI conference. Staff came back with great ideas and are ready to share them with others and put them into practice.
<b>Pupil Attendance</b>
We continue to shoot for 92.5% attendance rate.
<b>Student and Staff Safety</b>
<b>Subsistence Calendar</b>
LSAC has shared concerns with the subsistence calendar.
