

**Collin College
Grant Budget
Quarter Ending May 31, 2024**

Federal (F), State (S), Private (P)	New (N), Renewal (R), Modification (M), Carryforward (C)	Agency	Effective Date	Length of New Award	Grant Name	Amount	Purpose of Grant
F	N	DOD	May-24	1.5 year	Department of Defense (Advanced Technology International) - UTD BEACONS	188,726	The prototype Energy Storage Systems Campus will provide the DoD with a proof-of-concept by piloting a collaborative space for the research, development, and prototyping of new platforms, systems, components, and materials that are directly relevant to enhancing the DoD Mission. The prototype project will be carried out via the novel application of commercial technologies for defense purposes. It will be a pilot collaboration facility providing nontraditional defense contractors with the ability to execute agile development activities toward the creation, design, development, and demonstration of technical and operational utility. When successful, this prototype will transition into production, resulting in other collaboration facilities to further diversity industrial base capabilities in support of the domestic Defense Industrial Base (DIB).
F	R	SBA	Jan-24	1 year	Small Business Development Center (SBDC) Federal 2024	296,568	Pass through DCCC To support small business development.
