Browning High School,

Congratulations to the Browning Running Indians Cross Country Team in their 2023 State A Cross Country Championship.

The Montana American Indian Caucus of the Montana State Legislature knows that your championship did not come easy. It has taken hard work, hours of training, a strong mind, and a willingness to put everything on the line to achieve what you have accomplished.

We know you couldn't have done it alone. You have excellent coaches who guide you throughout your season; supportive parents, and families who did everything they could to help you achieve your vision; and of course, your fellow students who cheered you on.

Again, the Montana American Indian Caucus wishes to add our voices of congratulations to the Browning Running Indians Class A State Champions, your coaches, and the school.

Senator Mike Fox (SD 16)	Rep. Tyson Running Wolf (HD 16)
