Dear Mr. Taylor:

The Texas Department of Agriculture (TDA) conducted a Validation Review on March 26, 2013 of the Certification documents submitted by Crockett County CISD. Based upon the menu service observed and documents on file, Crockett County CISD is determined to be in compliance with the new meal pattern requirements and remains eligible for the performance-based reimbursement of 6 cents per lunch served.

TDA commends Crockett County CISD's effort to ensure meals served in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) align with the 2010 Dietary Guidelines for Americans and recommendations from the Institute of Medicine. Thank you and your staff for the cooperation and hospitality extended to us during the course of the Validation Review.
