

I am honored to nominate the Lions Club for recognition of their incredible volunteer efforts and unwavering support for Riverdale Elementary. Over the years, the Lions Club has been an invaluable partner to our school, providing financial and community support that has made a significant and lasting impact on our students and staff.

One of the most heartfelt contributions made by the Lions Club has been their generosity in paying off lunch accounts for students in need. Their dedication to ensuring no child goes without a meal has greatly relieved families and helped foster a supportive and inclusive environment for all students. This act of kindness speaks volumes about their commitment to the well-being of our children.

Additionally, the Lions Club has enriched the educational experience at Riverdale Elementary by leading art contests with our 6th-grade students. This initiative not only encourages creativity but also provides students with an opportunity to showcase their artistic talents. It has been a wonderful way for our students to engage in self-expression and gain confidence in their abilities.

The Lions Club's contributions extend beyond the classroom as well. They generously donated benches for our outdoor spaces, creating a welcoming environment where students can gather, socialize, and relax. These benches have become a beloved part of our school grounds, enhancing the sense of community among our students and staff.

Another notable contribution has been donating a tiny library to our school. This charming addition has sparked a love of reading and provided students and their families access to books they might not otherwise have. The tiny library symbolizes the Lions Club's dedication to promoting literacy and supporting lifelong learning within our community.

The Lions Club has made a profound difference at Riverdale Elementary, not only through their financial support but also through their hands-on involvement in the life of the school. Their generosity, kindness, and commitment to our students and families are remarkable.

I am pleased to nominate the Lions Club for recognition for these reasons. Their dedication to service and impactful contributions have made them an invaluable partner to Riverdale Elementary.
