April 22, 2025

Dear Heller Foundation,

On behalf of Neah-Kah-Nie High School and our entire community, we extend our deepest gratitude for your generous donation of an AED. This life-saving equipment will be located at our football field and track, a location that serves a diverse and significant portion of our population.

This field is not only home to our high school and middle school athletic programs, including football, cross country and track and field, but it also provides a space for physical education classes for both levels. Beyond the school day, the field is a central gathering place for numerous community events, enriching the lives of our residents.

Your contribution significantly enhances the safety and preparedness of our facility. Knowing that an AED is readily available provides a sense of security and peace of mind for our students, athletes, coaches, staff, families, and community members. In the event of a sudden cardiac arrest, this equipment can be the difference between life and death.

We are incredibly grateful for your commitment to the well-being of our community and your investment in the health and safety of our students. Your support will have a profound and lasting impact on Neah-Kah-Nie High School.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Keefauver", with a long horizontal line extending to the right.

Ryan Keefauver
Associate Principal/Athletic Director
