Help spread the word!

School boards should reflect their communities and students. The Oregon School Boards Association is committed to broadening representation on school boards, encouraging more people to get involved and offering information to help them get started.

OSBA started the Get on Board campaign in 2017 to raise awareness about school board service and offer support for potential candidates. The Get on Board website includes answers to frequently asked questions, resources and testimonials as well as links to two free webinars.

Upcoming webinars

The candidate filing period opens Feb. 8, and OSBA is offering two webinars to encourage broader participation:
