### Letter of Resignation

I am writing to formally resign from my position as a middle school basketball coach, effective immediately.

This decision was not made lightly. As I enter the final semester of my college degree, I have realized that I need to devote my full attention to completing my academic commitments successfully. Balancing these responsibilities alongside coaching is no longer feasible if I want to finish this chapter of my education at the level I expect of myself.

That said, I would be remiss if I did not express my disappointment with recent decisions regarding vacant coaching positions. Seeing these roles filled by less experienced candidates has been frustrating, particularly given the time, effort, and commitment I have invested in this program. While I respect that staffing decisions are complex, it has become increasingly difficult to feel aligned with the direction being taken.

I am grateful for the opportunity to have worked with the athletes and staff, and I remain proud of the time I spent contributing to the program. I sincerely wish the coaching staff and players a successful and rewarding season ahead.

Thank you for the opportunity and for your understanding.

Sincerely,

Tyler Running Crane
