Re: Board Report January 2026

Goal: Portrait of a Graduate

- In December, we hosted our annual career day. With over 41 community partners representing 38 different careers, students were able to attend (3) 30 minute sessions to learn more about potential career paths on a real world level

Goal: Engagement

- We had a great turn out at Cocoa and Cram for our first trimester! 150 9th graders stayed after school to study for their finals. That's 76% of our freshman class. We are thankful for our Link Crew students for their continued support for our 9th grade students transition to high school.
- We are honored to have been selected to perform as one of the top 3 band/ orchestras at the Michigan Music Conference this year. This is an incredibly exciting opportunity for the students and their families to represent Chelsea at a state level. Our music students will travel to Grand Rapids on January 23rd for their performance.

Goal: Health and Safety

- We have representatives from 4 student mentoring groups attending a Restorative Justice Symposium hosted by Skyline High School. This event is for students from students from each school across the county to come together and learn how to facilitate restorative conversations amongst their peers.

Sincerely,
Amanda Clor
CHS Principal

Upcoming Events:

1/29/26: Parent Teacher Conferences
1/30/26: CHS Winter Pep Assembly
1/31/26: Winter Carnival Dance
