Technology Insights

Sam Rigby visited us and made many upgrades to our network. We even spied him nailing down a loose board on the boardwalk. Thanks, Sam!

Facility Update

Carl came to visit us just before school started and stayed into the first week of school. He made the property look amazing and made many repairs and improvements! Thank you, Carl!

LSAC Activity

We held an LSAC meeting on September 20 th , but LSAC minutes for approval were tabled for the next meeting.
Volunteer Report
We've had a bunch of volunteers help us get ready for the volleyball meet! Many thanks to those who have been so helpful!
Professional Development
We had zoom inservice at the end of August. We definitely miss our in-person connections but understand the hardship LPSD is facing these days.
Pupil Attendance
Pupil attendance has been pretty good. Influenza A made its way around the school in the first couple of weeks, but we are wrapping that bug up now.
Student and Staff Safety
No safety concerns at this time.
Subsistence Calendar
We had several students take advantage of the experiencing out opportunities presented by the subsistence calendar. It's fun to see summertime learning happening!
