Purpose of Report:
The purpose of this report is to provide campus and district ADA percentages for the 1st reporting period of the 2023-2024 school year (August 10, 2023 through September 22, 2023) and to compare this data to prior years. This report will also identify current truancy prevention measures being used on Denton ISD campuses to increase student attendance.

Objective:
The objective is to routinely analyze and monitor Denton ISD's attendance data with the goal of improving student attendance. By making this data readily accessible throughout the school year, the district will raise awareness of school attendance and monitor trends and changes across the district. The district will also provide transparent communication, training, and support; where needed, to improve student attendance in Denton ISD.

Operational Impact:
The analysis and monitoring of attendance data allows the district to ensure that plans are developed to meet current and future needs of the district.

Results:
There are 31 instructional days in this 1st reporting period. The district ADA% for 2023-2024 reporting period 1 is 96.05%,
