I sincerely hope that you will consider renewing your contract with us for I feel that we have provided a quality service that has enable you to meet your DOT testing requirements. I have taken the liberty of enclosing a contract for review and signature. If you decide to renew with us please sign the hi-lighted areas. Make a copy of the signature page and return it to the above address with your fee (invoice enclosed). Also we would request an updated employee list consisting of the employee's name and the last four of his/her Social Security number. It is extremely important that we have an updated list so that next years (2019) pool be built accurately (and we have to have a new list on file). Also please note that we need to be notified if you bring on new employees or one leaves. Lastly, DOT requires that all new hires be tested (Pre-employment) before commencing employment. They are not considered eligible to work in Safety Sensitive Positions unless the test is completed (per DOT CFR 49-40 382-655).
