

# San Juan College High School SF Participants and Achievements for the Spring of 2026

## San Juan Regional Science and Engineering Fair:

### ***Special Awards:***

#### AISES:

- Melaina Yazzie
- Amber Bizardie
- Madisyn Parker

#### American Chemical Society Award:

- Melaina Yazzie

#### Citadel Securities Innovation Awards (Senior Division):

- Calvin Lam

#### NASA Earth System Science Award:

- Amber Bizardie

#### Regeneron Biomedical Science Award:

- June Loukinas

#### US Metric Association Awards:

- Melaina Yazzie

#### NMJAS Paper Competition Winners and State Qualifiers:

1st Place - June Loukinas

2nd Place - Rosa Bonita Schwenk

### ***Category Awards:***

1st Place in Microbiology - Madisyn Parker

1st Place in Chemistry - Melaina Yazzie

1st Place in Engineering Technology - Amber Bizardie

2nd Place in Engineering Technology - Calvin Lam

1st Place in Biomedical and Health Sciences - June Loukinas

2nd Place in Biomedical and Health Sciences - Grace McWilliams

1st Place in Earth and Environmental Science - Rosa Bonita Schwenk

**Overall Senior Awardees:** (Both qualified to compete at the Regeneron - ISEF in Phoenix, AZ)

Overall Winner - June Loukinas

Runner - up - Amber Bizardie

## **2026 New Mexico Science and Engineering Fair**

### ***Special Awards:***

NM Network for Women in Science and Engineering Award - Grace McWilliams

American Chemical Society Award - Grace McWilliams

NASA Earth System Science Award - Amber Bizardie

United State Air Force Award - Amber Bizardie

### ***Category Awards:***

Biology, Cellular and Medical Science - 3rd Place: June Loukinas

Chemistry & Biochemistry - 3rd Place: Melaina Yazzie

Energy and Material Science - Honorable Mention: Amber Bizardie

## **National Advancing Indigenous Science and Engineering Fair (NAISEF)**

Materials Science category: 2nd Place: Amber Bizardie

## **Regeneron International Science and Engineering Fair (Regeneron - ISEF)**

Biomedical and Health Sciences category- 2nd Place : June Loukinas
