Re: Lunch Price Increase for 2022-23 School Year

It is necessary to increase the price of our lunch and breakfast meals for adults and students within the district.

Prices have jumped this year tremendously on the paper and food products that we are purchasing. We have not had a price increase since I have been in this position six years ago. The past two years USDA has provided free meals to all students which has a higher reimbursement rate. We will not be receiving the higher reimbursement that accompanies the free meals as we have the past two years.

Our average cost per meal is as follows: \$3.82 for Lunch; \$2.25 for Breakfast.

We are now charging: \$1.85 for Elementary Lunch and \$2.30 for Secondary Lunch
\$1.25 for Elementary Breakfast and \$1.50 for Secondary Breakfast.

Adult Lunch with no reimbursement is charged \$3.50.

Adult Breakfast with no reimbursement is charged \$2.25.

Please consider raising the prices as follows:

Adult Lunch \$4.25, Adult Breakfast \$2.50.

Elementary Breakfast \$1.50; Secondary Breakfast \$1.75

Elementary Lunch \$2.00; Secondary Lunch \$2.50

Thank you,
Kayleen Anderson
