### **SPECIAL FOOD SERVICE**

We are back to full staff, what a difference it makes! So much less stress.

The new software is coming along great. All the menus and recipes are in there. I am working on making them all compliant.

Copper River Rally went well. I heard a lot of good feedback on the meals provided (Breakfast, Lunch and Dinner). I think it went well having the coolers in their rooms for dinner service. I would love to hear if the teams were happy with that set up.

The state has asked me to mentor more school districts. Once everything is set up well for Unalaska, I told them I would help, but for now I have enough on my plate.
