EVALUATION FACTORS FOR AWARD

CRITERIA

Any award to be made pursuant to this RFP will be based upon the proposal with appropriate consideration given to operational, technical, cost, and management requirements. ***Decision of award will be made pursuant to Hydaburg City School District Board Policy.*** Evaluation of offers will be based upon the Vendor's responsiveness to the RFP and the total price quoted for all items covered by the RFP. A scoring rubric is shown at the end of this RFP.

The following elements will be the primary considerations in evaluating all submitted proposals and in the selection of a Vendor or Vendors:

1. Completion of all required responses in the correct format.
2. The extent to which Vendor's proposed solution fulfills Hydaburg City School District's stated requirements as set out in this RFP.
3. An assessment of the Vendor's ability to deliver the indicated service in accordance with the specifications set out in this RFP.
4. The Vendor's stability, experiences, and record of past performance in delivering such services, including previous project experience with Hydaburg City School District or Southeast Island School District.
5. Availability of sufficient high quality Vendor personnel with the required skills and experience for the specific approach proposed, previous experience with Alaska Energy Authority and cordwood fired boilers.
6. Overall cost of Vendor's proposal.

Hydaburg City School District may, at their discretion and without explanation to the prospective Vendors, at any time, choose to discontinue this RFP without obligation to such prospective Vendors.
