

Two Is Better Than One

WE RISE BY LIFTING OTHERS!

Two Is Better Than One is about bringing awareness to young people that there's always someone who cares and that there's more to life than darkness and that life will get better by never losing hope.

We all have the means to stand up, we just have to find the courage to make a difference in not just our lives but in the lives of others.

Our goal is to spread the message of hope and awareness across Indian Country. We want to provide our youth with exciting activities and to show how important our way of life is. We hope to show that a group of students can make a big impact on young people across America.

IF WE CAN LIFT OTHERS SO CAN YOU!
