

AGENDA ITEM 7.G.

RE: Approval to Purchase Kazen Student Center Stage Audio/Visual Upgrade

STAFF RECOMMENDATION: That the Board approve the purchase of audio-visual equipment and services for the Kazen Student Center Stage in the amount of \$140,314.92. This equipment and services will be procured from the vendor Audio Visual Aids using Buy Board cooperative purchasing agreement 739-24.

BACKGROUND: The Kazen Student Center Stage currently has a PA system with speakers and microphones, but no projection system. As part of this upgrade, a new projector and projection screen will be installed. Both the electronic projection screen and video projector on the electronic scissor lift will retract to the ceiling when not in use. The current audio/visual rack is located on the second floor in the Student Life office. As part of this project, the rack will be relocated to the storage area behind the stage to make it easily accessible during events. Additional components in this project include: wireless presentation and a Crestron control panel to control the complete system.

BUDGETARY CONSIDERATIONS: The cost of the equipment is \$140,314.92 and will be paid using a line item allocated in the current Media Center department budget.

Media Center – M (474021) \$140,314.92
