CCC Board of Education – Topic Summary	
Topic:	Elizabeth Carney’s Sabbatical Presentation
Date:	March 19, 2025
Presented By:	Elizabeth Carney, CCC Faculty
Division/Department:	Institutional Effectiveness and Planning Center for Teaching and Learning
Issue Before the Board:	Informational Report on Sabbatical Activities

REASON FOR BOARD CONSIDERATION:

The Board annually hears reports from instructors on their sabbatical activities.

BACKGROUND:

Elizabeth Carney, Center for Teaching and Learning, two-term sabbatical

The purpose of my sabbatical was to research equity-informed assessment principles and practices that I can apply in my role as the College’s Assessment Coordinator. I found frameworks and real-world advice that will guide me going forward. Also helpful were the preliminary results from a national survey that I helped develop as part of the Grand Challenges in Assessment project. All of this research informed my design of a faculty learning community (FLC) that will support faculty in using rubrics for more equitable learning; I intend to teach the FLC in Winter term, 2025.

ATTACHMENTS:**FUTURE REPORT:**

Sabbatical reports will be presented again in 2026.
