**Background Information:**

The Academic Support Division will provide a progress update relating to the progress on improving special education services in Manor ISD. This annual presentation will include updates on student academic progress, related reinforcement and refinement for teaching and learning, and CCMR outcomes.

While we were planning to implement this new reporting process, SB 568 was passed, requiring an annual presentation at a school board meeting.

**Texas Education Code Sec. 29.0012. ANNUAL MEETING ON SPECIAL EDUCATION.**

- (a) At least once each year, the board of trustees of a school district or the governing body of an open-enrollment charter school shall include during a public meeting a discussion of the performance of students receiving special education services at the district or school.
- (b) The agency (MISD) by rule shall adopt a set of performance indicators for measuring and evaluating the quality of learning and achievement for students receiving special education services at the school district or open-enrollment charter school to be considered at a meeting held under this section. The indicators must include performance on the college, career, or military readiness outcomes described by Section 48.110.
