Good Things at PHS:

The Girls Basketball team won the Regional Championship and have advanced to the Sectional.

We hosted the Boys Basketball Regional on the 23rd and 25th.

We have rolled back Covid mitigations and are 99% back to what school resembled pre-Covid! It has been refreshing. The students and faculty have been re-energized!

Winter MAP testing has been completed. Although there is room for improvement our students showed growth beyond what is expected by NWEA. ALL of our grade level RIT scores exceeded expected growth norms established by the NWEA! 9th and 10th grade ELA scores exceeded grade level norms!

We made great progress recovering learning loss. It is only because of the hard work every single person in the building commits to daily! Your hard work is appreciated!

We continue to collaborate with the teachers to organize the implementation of the RtI. We have established our benchmarking process, skill plan development, interventions and progress monitoring procedures. The School Improvement Team continues to meet to fine tune details for implementation.

CKH at the high school is moving forward. The cohorts are meeting monthly to share ideas.
