

**BEMIDJI AREA SCHOOLS
BEMIDJI, MINNESOTA**

DATE: FEBRUARY 23, 2026

TO: BOARD OF EDUCATION

**FROM: COLLEEN CARDENUTO, DIRECTOR OF CURRICULUM &
ADMIN. SERVICES**

**SUBJECT: 2024-2026 SECONDARY MATHEMATICS CURRICULUM
REVIEW 6-12**

COMMENTS:

We would like to extend our gratitude to the committee members for their dedication in navigating the complex process of adopting a new Mathematics curriculum. From 2024 to 2026, all secondary Mathematics teachers (grades 6-12) from across the district rigorously reviewed and analyzed multiple curricula to identify the resource best suited to our district's goals and, most importantly, our students' needs.

The Mathematics Department met regularly to evaluate resources, ensure alignment with the upcoming 2027 Minnesota Mathematics Standards, conduct classroom pilots, and host a community comment night to gather stakeholder feedback.

The final recommendations were presented to the District Curriculum Advisory Committee on February 10, 2026, and were made available for public review on February 17, 2026. These recommendations are presented this evening for your formal approval.

ACTION:

The motion was offered by _____, seconded by _____, and carried () to approve the proposed Mathematics Curriculum.
