Dear Dr Kent D Mutchler,

Congratulations to you & your fine school district for earning the SchoolSearch™ 2011 Bright A+™ Award for academic excellence in education! Your school district is one of only 59 Illinois School Districts (out of 868 school districts) honored with the SchoolSearch™ 2011 Bright A+™ Award.

SchoolSearch™ awards school districts that are among the top 5% of Illinois school districts (academically). All schools districts in Illinois with complete test data sets (as per the IL State Board of Education) are considered for the award. The award criteria are based on objective factors – on which all districts are judged fairly. The award criteria are based on those districts whose students' academic performance ranks in the upper 5% of Illinois school districts based on the 2010 IL School Report Card Data Source.

SchoolSearch™ is an educational research & consulting firm that publishes Handbooks of school system rankings. SchoolSearch™ works with major companies by providing their relocating families school information. School quality is the top concern of most relocating families.

Enclosed is certification of your SchoolSearch™ 2011 Bright A+™ Award for academic excellence. Let us know if you are in need of additional certificates for building principals. You may view & print the award recipient list from our web site at www.schoolsearchrankings.com. ***Congratulations & best wishes to you & your fine school district for striving to provide your students with an outstanding educational environment!***
