Subject:

Buffalo High School 2011 Fall Activities Report

Presenter:

Tom Bauman

SUGGESTED SCHOOL BOARD ACTION:

None

DESCRIPTION:

Buffalo High School has completed its fall activities season for 2011-2012. Coaches and Advisors have shared a short narrative summary of their seasons for your review. The report also includes a detailed statistical summary of participation #'s including coaching ratios.

PARTICIPATION ANALYSIS / UPDATES / PROGRAM NEWS:

In analysis of "the numbers", I did not notice any significant changes for this season of participation, Fall 2011. Scanning through each activity, I noticed only slight increases or decreases from past years.

During the meeting on Monday, February 13th, my plan is to take any questions about this report and share updates/information on:

1. Self-funded programs
2. Athletics and Activities Conference expansion
3. "Bison Breakfasts"

Thanks for your continued interest and support of "Bison Activities". Fire Up!
