Full Time Remote Option

While in-person instruction is optimal for students' learning, River Forest District 90 understands that parents may prefer remote learning as an alternative due to concerns related to the pandemic. In an effort to accommodate the needs of our school community during this unprecedented time, River Forest District 90 is offering for parents to opt-in their students to participate in full-time remote learning while Illinois remains in Phase 4 of *Restore Illinois* (or if Illinois reverts to an earlier Phase that permits in-person attendance). Please review the agreement, complete the document and return to Victoria Bynum at bynumv@district90.org if you would like to be considered for a full remote option. Link to the document can be found [HERE](#). For additional information regarding health and safety precautions please refer to the following documents:

1. Notify your child's inclusion preschool teacher or your intent to participate in the hybrid model.
2. Sign the Return to School Addendum in the Student Handbook. If you have not already done so, please notify your child's teacher of the Director of Special Education.
3. All staff and students are required to wear a mask covering their face and mouth while in school. If your child is not able to wear a mask, please notify the teacher. You must have your doctor complete a [Mask Exemption Form](#) for the team's consideration regarding next steps.
