Superintendent and Board of Trustees

212 E. Bowie St.

Luling, TX 78648-2904

Dear Superintendent and Board of Trustees,

Enclosed is an Official Ballot to cast votes for the Guadalupe Appraisal District Board of Directors. The ballot provides directions on how the sum of your taxing units' allocated votes may be cast among available candidates.

The passage of SB2 last fall included **new key procedural deadlines** for those taxing units entitled to cast at least 5% of the total votes. In addition to requirement that each taxing unit cast their votes by passage of a resolution, taxing units entitled to cast **250 votes or more** must also meet specific procedural deadlines in passage and submission of resolution.

Per §6.03(k-1) of Texas Tax Code, please be mindful of the bolded requirements below:

*"The governing body of each taxing unit entitled to cast at least five percent of the total votes must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body. The governing body must submit its vote to the chief appraiser not later than the third day following the date the resolution is adopted."*

For the majority of our taxing units who have **less than 250 votes**, there is no change to the deadline for timely submission of ballot and resolution is before December 15, 2024.

It should be noted, a taxing units' eligibility to initiate the recall an appointed member on an appraisal district's board of directors is outlined in §6.033(a) of the Texas Tax Code. It states,

*"The governing body of a taxing unit may call for the recall of an appointed member of the board of directors of an appraisal district **for whom the taxing unit cast any of its votes** in the appointment of the board."*

The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before **December 31, 2024** to the governing body of each taxing unit in the district and to the candidates.

Please call if you should have any questions in this regard.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Snaddon", is written over the word "Sincerely,".

## Section 6.03 Board of Directors<sup>1</sup>

(d) The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and by rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district.
