

Community Education Director Report

August 8th, 2020

Mission Statement

The mission of the Crosby-Ironton Community Education program is to enable life-long learners to fulfill their potential and become responsible, contributing members of our changing community. In partnership with the entire community, we will provide an enriched education experience that offers a variety of learning opportunities. We will link home, school and community to ensure a positive, supportive education that fosters life-long learners' excellence and success.

Vision Statement

Create opportunities to engage, challenge and inspire life-long learners.
