Hey,

If you can send me some details in an email, time/date/place etc, Dr. Rapp has approved this to be included on the Board's agenda Monday night for approval.

Subject: Question

Hello D'Ann, I was just asked to do a UIL clinic in Carrollton Farmers Branch on February 18. I told them I was not sure I could do it, because I think it must be pre-approved by the board. Am I correct?
