## Memo

To: Board of Education  
From: Maria Gannon  
Date: April 9, 2025  
Re: FOIA Request #2

Please find another recent FOIA Request below:

***NOTICE:** Please refer to FOIA #1's Notice section (dated March 14, 2025) for detailed instructions on handling this request. Note that there is no attachment to this FOIA #2; instead, all instructions found in FOIA #1 should be referenced and adhered to for this request as well. This serves as a reminder that you are bound by the same requirements and expectations outlined in FOIA #1. In summary, please respond as a "Reply" to this email, removing any "Re: " prefix or other "Reply" abbreviation from the subject line. By maintaining a single thread, we can ensure that all communications are efficiently organized and retained, facilitating compliance and making it easier to track and archive our interaction.*

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1 but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

### REQUEST #2

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2019, 2009, and 1999** by each school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2019, 2009, and 1999** as additional worksheet tabs to the Excel workbook delivered for FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing six tabs
