## Fleming Middle School

Dear Parents,

I would like to thank you for your patience and understanding as we navigate distance learning together. This is something new for us as well and we have tried to communicate and go above and beyond to help you and your child in whichever way we could. Now as we move into October we are encouraged by the number of students engaged in learning and teachers motivating them each day by designing lessons that engage all students and are fun and meaningful. Our teachers have been working extremely hard and have enjoyed seeing your child's face each day. Please continue to help us maintain this high level of engagement by having your child prepared for school everyday.

We introduced CAV CARDS this year along with Cavalier Shout Outs which has been fun for the staff and the students. CAV CARDS are given out by teachers to students for a variety of reasons and put into a Thursday drawing which students can win prizes. Cavalier Shout Outs will come from teachers and you will receive an email explaining how AWESOME your child is.

Thank you again for all your support and allowing us to be part of your child's life and educational journey.

### FAMILY ADVOCATE

Our family advocate program is to help students overcome barriers to success. If your student is in need of clothing, school supplies, hygiene supplies, haircuts or any referral services, please let the office know and we will get you connected to the Family Advocate, Megan Hill.

### ATHLETICS

Due to health and safety concerns posed by COVID-19 combined with guidance from state health agencies, the 20-21 sports season is currently on hold. Fleming is working with SOMSAC, (Southern Oregon Middle School Athletic Conference), to create a plan that keeps athletes, coaches and spectators safe and healthy. We thank you for your grace and patience as we work to offer a safe experience for our athletes and coaching staff.

Fleming is helping students! We have checked out over 280 chromebooks and 23 hotspots.

Perfect Attendance award: Students with perfect attendance from Oct. 1st thru Dec. 15th will be put in a drawing to win AirPods. One boy and one girl will win from each grade.

School attendance is critical in your child's educational journey; please make this a priority in your family.
