<input checked="" type="checkbox"/> Action Needed	<input type="checkbox"/> Future Action	<input type="checkbox"/> Information	<input type="checkbox"/> Report

Administrative Information:

That the Wichita Falls Independent School District Board of Trustees approves the purchase of replacing playground surfacing from GameTime (aka Cunningham Recreational) for a total amount of \$168,921.18, as submitted by Leah Horton, Chief Financial Officer, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

Multiple awarded vendors were evaluated for the purpose of reviewing the condition and compliance of all district playgrounds. GameTime was selected to fulfill the district’s playground upgrades in a 4-year plan.

GameTime provided on-site evaluations of all district playgrounds that currently have pea gravel surfacing. To improve safety and compliance with current standards, the district seeks to replace the pea gravel with fiber safety surfacing. District staff reviews of the sites were paired with GameTime’s recommendations to prioritize updating playground equipment in a 4-year plan. The following campus playground improvements are identified for Year 3 of the plan:
