February 9, 2009

Subject:

Federal Advocacy Resolution

Presenter:

Jim Bauck

SUGGESTED SCHOOL BOARD ACTION:

Information at this time. Recommend approval at the February 23, 2009 Board Meeting.

DESCRIPTION:

The Minnesota Association of School Administrators is asking for your approval of the attached resolution. It is hoped that the presenting of the resolution would move the U.S. Congress and the Minnesota Legislature to take action on the reauthorization and reframing of the federal education statute (No Child Left Behind Act). They are asking every school district in Minnesota to come together in asking for action on this issue.
