Overview

Update 115 focuses on updating and reorganizing several policies in the FFE series of the policy manual addressing student welfare. FFEA continues to focus on counseling, and a new code, FFEB, focuses on mental health provisions.

In addition to these changes, Update 115 includes several other policies affected by legislation from the 86th Legislative Session that were not included in Update 114 and incorporates numerous changes from revised Administrative Code rules.

Your Localized Update 115 packet also contains:

• **Explanatory Notes** describing the changes to each policy. Please note that, where appropriate, the Explanatory Notes ask you to verify that a particular policy reflects current district practice and to advise us of any changes needed so that our records and the district's policy manual accurately track the district's practice.

Explanatory notes may also provide important information about policies not included in the update packet.

- Vantage Points—A Board Member's Guide to Update 115, which provides local officials a highly summarized first glance at the local policies included in the update. Please distribute the Vantage Points to your board members with the review copies of the update.
- **Instructions** for incorporating this update into each of the district's Localized Policy Manuals after board adoption. Use the enclosed Instruction Sheet as a guide to which policies should be added, replaced, and removed from your manual.

Legal Services Update Memo

TASB Legal Services' <u>Legal Issues in Update 115 memo</u> (available in the myTASB Policy Service Resource Library under Policy Manual Update Resources) describes common legal concerns specific to the local policies recommended in this update for your consideration prior to board adoption of any local policies. Local policies will not be sent for a separate review by Legal Services as part of the update process. If after reviewing the memo you have questions about any specific provisions in your local policies, please contact TASB Legal Services at 800-580-5345.

(LEGAL) vs. (LOCAL) Policies: Remember the Difference

(LEGAL) policies:

- Reflect the ever-changing legal context for governance and management of the district
- Should inform local decision making
- Should NOT be adopted, but only reviewed

(LOCAL) policies:

- Require close attention by both the administration and the board
- Must reflect the practices of the district and the intentions of the board
- May only be changed by board action (adopt, revise, or repeal)

If your board adopts changes to the (LOCAL) policies contained in this packet, please notify your policy consultant.

How to Place Policy Changes on the Agenda for Board Action

TASB recommends that the district address this update on the agenda as follows:

"Policy Update 115:

- (LEGAL) policies
- (LOCAL) policies (see attached list of codes)"

(LEGAL) policies sub-item: TASB recommends that the board review, but not adopt, the (LEGAL) policies issued in the update. If the board may discuss certain issues addressed by the updated (LEGAL) policies, particularly if those issues are of interest to the public, then, for purposes of discussion, the relevant policy codes, titles, and subtitles should be listed under the sub-item.

(LOCAL) policies sub-item: Board action on the (LOCAL) policies included in the update must occur within a properly posted, open meeting of the board.

- You may use the "(LOCAL) Policy Action List" provided online in Local Manual Updates and include the list under the sub-item, or you may compile a list of (LOCAL) policy codes, titles, and subtitles from the Instruction Sheet and Explanatory Notes included in the update packet.
- A suggested motion for board action on the (LOCAL) policies included in the update:

"I move that the board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Local-ized Policy Manual Update 115 [with the following changes:]"

How to Notify Policy Service of Board Action

Notify Policy Service of the board's action on Update 115 by completing the electronic <u>Notify TASB of Policy Adoption</u> form on myTASB or by using the Update 115 Adoption Notification Form, enclosed, so Policy Service records remain accurate.

How to Keep Minutes

The board's action on Localized Update 115 must be reflected in board minutes. Your minutes should include:

• The list of proposed (LOCAL) policy actions, such as the Instruction Sheet annotated to reflect any changes made by the board

- The Explanatory Notes for the update (filed as an attachment to the minutes)
- Copies of new, replaced, or rescinded (LOCAL) policies

How to Maintain Your Historical Record

To construct a separate historical record of the manual, you must track the history of individual (LOCAL) policies. You should maintain a permanent historical record of every (LOCAL) policy adopted, revised, or rescinded by the board.

At a minimum, this record should include the following key pieces of information:

- Policy code
- Date of board action
- Text of policy

For more guidance on maintaining this record, please refer to:

- The Administrator's Guide to Policy Management
- <u>Tutorial videos</u> on handling an update

These guides are available in the myTASB Policy Service Resource Library.

How to Keep Your Administrative Regulations Current

<u>Regulations Resource Manual</u> Update 61, which includes revisions to model regulations and forms corresponding with Update 115, is now available on myTASB.

Inspect your district's administrative procedures and documents—including (EXHIBIT)s, (REGULATION)s, handbooks, and guides—that may be affected by Update 115 policy changes.

If you must make changes to the (REGULATION)s or (EXHIBIT)s contained in your board policy manual, please notify your policy consultant.

ATTN(NOTE) GENERAL INFORMATION ABOUT THIS UPDATE

Update 115 includes new Title IX regulations, effective August 14, 2020, which define sexual harassment under Title IX and establish detailed procedures for how districts must respond to notice or allegations of sexual harassment. The final Title IX regulations and related materials are available on the U.S. Department of Education <u>Office for Civil Rights</u> website.

Multiple changes at Update 115 are based on legislation from the Regular Session of the 86th Texas Legislature that impose changes effective with the 2020–21 school year. Unless otherwise noted, references to legislative bills throughout these explanatory notes refer to Senate Bills (SB) or House Bills (HB) from the 86th Legislature.

An overview video of the local policy changes is available under Policy Manual Update Resources in the myTASB <u>Policy Service Resource Library</u>. (LEGAL) policies provide the legal framework for key areas of district operations; they are not adopted by the board.

AF(LEGAL) INNOVATION DISTRICTS

Revisions to the Administrative Code, effective January 2020:

- Specify that an innovation district may not be exempted from Education Code Chapters 48 (Foundation School Program) and 49 (Options for Local Revenue Levels in Excess of Entitlement); and
- Authorize the commissioner to terminate district of innovation status for a district's failure to comply with the duty to discharge or refuse to hire certain employees or applicants as required by state law.

AIA(LEGAL) ACCOUNTABILITY: ACCREDITATION AND PERFORMANCE INDICATORS

Administrative rule changes, effective August 2019, specify that districts with a local accountability system must use the local accountability system rating standards established by the commissioner. These standards will be updated annually and published in the *Local Accountability System Manual*.

Definitions for the various accreditation statuses have also been added.

AIB(LEGAL) ACCOUNTABILITY: PERFORMANCE REPORTING

TEA has renamed the Performance-Based Monitoring Analysis System (PBMAS) to the Results Driven Accountability (RDA) system, effective December 3, 2019. This was to align with the Office of Special Education Programs (OSEP) framework.

AIC(LEGAL) ACCOUNTABILITY: INTERVENTIONS AND SANCTIONS

Beginning with the 2020–21 school year, HB 4205 creates a new option for campuses that are required to submit campus turnaround plans—an accelerated campus excellence (ACE) turnaround plan. The commissioner is required to approve an ACE turnaround plan if the commissioner determines that the plan meets the statutory requirements.

Other changes are from revised Administrative Code rules, effective March 31, 2020. The rules clarify interventions and sanctions provisions, including campus intervention team membership and participation and campus turnaround plan submission, approval, and implementation processes.

Additional detail has been included about the required notice the campus intervention team must provide regarding the public meeting for soliciting input on development of a targeted improvement plan.

Denton ISD

BBA(LEGAL) BOARD MEMBERS: ELIGIBILITY/QUALIFICATIONS

This legally referenced policy on eligibility and qualifications for board members has been revised to clarify that a person cannot *run* for the board if the person has a final felony conviction from which the person has not been pardoned or had the disabilities removed (see Eligibility). The provision at Ineligibility indicating that a person cannot *serve* as a member of the board if the person has been convicted of a felony remains unchanged.

BBBB(LEGAL) ELECTIONS: POST-ELECTION PROCEDURES

HB 2640 deleted the requirement for the presiding officer of the board to prepare a report of precinct results for the secretary of state.

BBD(LEGAL) BOARD MEMBERS: TRAINING AND ORIENTATION

Extensive changes to this legally referenced policy on board member training and orientation are from revised Administrative Code rules, effective March 24, 2020. See the TASB Board Development Services website for helpful overviews of the <u>training requirements</u>.

BDF(LEGAL) BOARD INTERNAL ORGANIZATION: CITIZEN ADVISORY COMMITTEES

HB 18 revised the list of persons that a board may appoint to the school health advisory council (SHAC). The bill also added requirements for a district to publish in the student handbook and on the district's website certain information on student physical and mental health resources, policies, and procedures and whether each campus has a full-time nurse or school counselor. The 2020–21 <u>TASB Model Student</u> <u>Handbook</u> has been updated to meet this requirement.

BDF(LOCAL) BOARD INTERNAL ORGANIZATION: CITIZEN ADVISORY COMMITTEES

Policy Service recommends that the administrative details regarding committees be removed from the local policy manual, as board-adopted policy is not required.

BF(LOCAL) BOARD POLICIES

A revision to this local policy clarifies that a district's legally referenced policies are not adopted by the board.

The *Legal Issues in Update 115* memo describes common legal concerns and best practices specific to this policy topic.

BQ(LEGAL) PLANNING AND DECISION-MAKING PROCESS

HB 18 revised the list of strategies for improvement of student performance that must be included in the district improvement plan (DIP) to include positive behavior interventions and support and implementation of a comprehensive school counseling program. In addition, the DIP must include:

- Strategies for providing elementary school students information about higher education; and
- The district's procedures on mental health promotion and intervention, substance abuse prevention and intervention, and suicide prevention.

Details about dating violence have been moved to FFH addressing harassment; details about sexual abuse, sex trafficking, and other maltreatment of children have been moved to FFG addressing child abuse and neglect.

CCA(LEGAL) LOCAL REVENUE SOURCES: BOND ISSUES

TASB Policy Service engaged an outside law firm with expertise in the area of bonds to review the federal securities law provisions in this legally referenced policy, which resulted in revisions throughout that section of the policy.

In addition, we have included two existing statutory provisions on:

- Attorney general review and approval of a public security and the record of proceedings, and
- Authority of the issuer of public securities to contract for certain services.

CCG(LEGAL) LOCAL REVENUE SOURCES: AD VALOREM TAXES

At Tax Rate Adoption, we have added information on the maximum compressed rate from HB 3 and new Administrative Code rules effective April 10, 2020.

HB 492 repeals existing law regarding reappraisal of property damaged in a disaster area. However, an amendment to the Texas constitution approved by voters in November 2019 authorizes a temporary exemption for property damaged in a disaster. These new provisions have been added to CCGA(LEGAL) addressing ad valorem tax exemptions.

A board must conduct an efficiency audit before holding an election seeking voter approval to adopt an M&O tax rate. In conducting the audit, the auditor selected by the board must follow the Legislative Budget Board (LBB) guidelines, to which we have included a link.

CCGA(LEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

HB 492 provides for a temporary exemption for property damaged in a disaster, as authorized in an amendment to the Texas Constitution approved by voters in November 2019.

CCGB(LEGAL) AD VALOREM TAXES: ECONOMIC DEVELOPMENT

Revisions to this legally referenced policy reflect amended Administrative Code rules, effective February 6, 2020, and include:

This legally referenced policy has been retitled and reorganized to include various pre-employment reviews. As a result, provisions on the required pre-employment affidavit and the Do Not Hire Registry have been moved to this policy from DC(LEGAL).

Provisions have been added on the U.S. Department of Transportation's (DOT) national commercial driver license drug and alcohol clearinghouse. A district may not employ a driver subject to DOT drug and alcohol testing who will perform a safety-sensitive function without first conducting a pre-employment inquiry through the clearinghouse.

DC(LEGAL) EMPLOYMENT PRACTICES

As mentioned above, provisions on the required pre-employment affidavit and the Do Not Hire Registry have been moved to DBAA(LEGAL), which now addresses pre-employment reviews.

DED(LOCAL) COMPENSATION AND BENEFITS: VACATIONS AND HOLIDAYS

Recommended revisions to this local policy on vacations and holidays address the board's authorization of these programs, including which employees are eligible for the benefits, and refer to administrative procedures for details to promote consistent application and prevent conflict between policy and administrative procedures. Please confirm that the eligibility information, which was pulled from the district's existing policy, is accurate.

TASB HR Services has a <u>framework</u> to help districts develop administrative procedures on vacation and holiday programs.

The *Legal Issues in Update 115* memo describes common legal concerns and best practices specific to this policy topic.

TASB Localized Policy Manual Update 115

Denton ISD

DHE(EXHIBIT) EMPLOYEE STANDARDS OF CONDUCT: SEARCHES AND ALCOHOL/DRUG TESTING

This exhibit on postaccident alcohol or controlled substances testing is being deleted, as the content has been incorporated into DHE(LEGAL).

DIA(LEGAL) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

The Note pointing to other relevant policies has been updated to reflect Title IX changes. We have added the recent U.S. Supreme Court case, *Bostock v. Clayton County, Georgia*, which held that firing an employee on the basis of homosexuality or transgender status violates Title VII's prohibition against sex discrimination in employment. Margin notes have also been updated.

DIA(LOCAL) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Recommended revisions to this policy incorporate the recent United States Supreme Court decision *Bostock v. Clayton County, Georgia*, which held that an adverse employment action against an employee on the basis of homosexuality or transgender status violates Title VII's prohibition on sex discrimination in employment. As a result, the policy clarifies that discrimination on the basis of sex includes discrimination on the basis of biological sex, gender identity, sexual orientation, gender stereotypes, or any other prohibited basis related to sex.

Based on the new Title IX regulations, recommended revisions include the following.

- The definition of Prohibited Conduct has been revised to include conduct that meets the Title IX definition of sexual harassment, but the policy retains the broader definitions of prohibited conduct in districts' current policies to ensure that all prohibited conduct is addressed.
- Text at Sex-Based Harassment and Investigation of Reports Other than Title IX directs readers to
 new provisions on responding to allegations of prohibited conduct that if proved would meet the definition of sexual harassment under Title IX, as the law requires a specific response process for these
 allegations. Allegations of prohibited conduct not based on sex or that would not meet the definition of
 sexual harassment under Title IX will follow the district's existing investigation process.
- The Title IX regulations provide that a district has actual knowledge of sexual harassment if notice or allegations are made to any employee; therefore, a new provision at Notice of Report requires *any* employee who receives a report of prohibited conduct based on sex to notify the Title IX coordinator.
- Text at Response to Sexual Harassment—Title IX addresses legally required actions when the district receives notice or allegations of conduct that would meet the definition of sexual harassment under Title IX.
- New provisions direct the superintendent to develop a Title IX formal complaint process that will apply following a formal complaint and that must comply with the elements in the new regulations, as included in FFH(LEGAL).
- To determine responsibility in a Title IX formal complaint of sexual harassment, the policy designates that the district will use a *preponderance of the evidence* standard. If the board wishes to instead use the *clear and convincing evidence* standard, which is a higher standard of evidence, please contact the district's policy consultant. The district must use the same standard of evidence for investigation of all formal Title IX sexual harassment complaints, including complaints by students.
- Provisions on retaliation and records retention have been updated.

TASB Localized Policy Manual Update 115

Denton ISD

Policy Service also recommends updates to the examples for harassment to include cyberharassment and electronic communications and clarification of the provisions on distribution of the policy and any accompanying procedures.

TASB's Title IX model procedures are available in TASB School Law eSource.

The Legal Issues in Update 115 memo describes common legal concerns and best practices specific to this policy topic.

DIA(EXHIBIT) EMPLOYEE WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

The new Title IX regulations require districts to notify employees, students, parents, and others of the Title IX coordinator's contact information, which now must include an email address. For consistency, Policy Service recommends adding an email address for the ADA/Section 504 coordinator, if applicable to your district.

If you have not already completed the survey from Policy Service regarding coordinator contact information, including providing email addresses for each coordinator, please do so in order for your policy consultant to update this exhibit.

The *Legal Issues in Update 115* memo describes common legal concerns and best practices specific to this policy topic.

DMA(LEGAL) PROFESSIONAL DEVELOPMENT: REQUIRED STAFF DEVELOPMENT

HB 18 revises both optional and required training for district staff development. Required training, which must be provided annually, focuses on various aspects of student mental health, as listed in the policy. Suicide prevention training must address the specific components indicated.

Details about required mental health support programs have been updated in accordance with HB 18 and moved to FFEB addressing student mental health.

Provisions addressing required training on child abuse, trafficking, and maltreatment have been updated based on revised Administrative Code rules, effective November 6, 2019.

DMD(LOCAL) PROFESSIONAL DEVELOPMENT: PROFESSIONAL MEETINGS AND VISITATIONS

Policy Service recommends that the administrative details regarding professional meetings be removed from the local policy manual, as board-adopted policy is not required.

The *Legal Issues in Update 115* memo describes common legal concerns and best practices specific to this policy topic.

This legally referenced policy on personnel has been revised to include provisions on various physical and mental health professionals, including:

- School nurses,

The rules address placement in the programs, notification to and review by TEA, contract requirements, and changes of student residence.

EHBAB(LEGAL) SPECIAL EDUCATION: ARD COMMITTEE AND INDIVIDUALIZED EDUCATION PROGRAM

New Administrative Code rules, effective March 30, 2020, address transition assistance for highly mobile students who are homeless or in substitute care. For such students who transfer into the district, the rules require the receiving district to:

- Accept a referral done by a previous district for a special education evaluation and complete any written report of a full individual and initial evaluation by the timelines in law, and
- Ensure that the district meets student transfer requirements relating to the ARD committee for a student who is already eligible for services.

EHBE(LEGAL) SPECIAL PROGRAMS: BILINGUAL EDUCATION/ESL

This legally referenced policy on bilingual education has been revised throughout as a result of amended Administrative Code rules, effective April 10, 2020. The rules address requirements for administering the home language survey, parental notice and consent, and assessment options for students in a two-way dual language immersion program.

Other revisions are to better match statute.

EHBG(LEGAL) SPECIAL PROGRAMS: PREKINDERGARTEN

Amended Administrative Code rules, effective February 13, 2020, prompted revisions throughout the high-quality prekindergarten program provisions.

EHBJ(LEGAL) SPECIAL PROGRAMS: INNOVATIVE AND MAGNET PROGRAMS

Changes to the application process for requesting approval from the State Board of Education or the commissioner to offer an innovative course are from amended Administrative Code rules, effective December 25, 2019.

EHDD(LEGAL) ALTERNATIVE METHODS FOR EARNING CREDIT: COLLEGE COURSE WORK/DUAL CREDIT

Provisions on dual credit agreements have been updated based on amended Administrative Code rules, effective November 24, 2019. We have also added some existing statutory provisions on dual credit programs to address faculty supervision and student transcripts.

EI(LEGAL) ACADEMIC ACHIEVEMENT

Provisions on partial award of credit have been updated to reflect revised Administrative Code rules, effective March 15, 2020. The rules revised terminology regarding awarding of credit proportionately when a student receives a passing grade in "half" of a course, rather than per "semester."

New Administrative Code rules, effective March 30, 2020, address transition assistance for highly mobile students who are homeless or in substitute care and require districts to:

- Adopt local policy to assist with awarding credit for a course that was earned prior to the student enrolling in or transferring to the district [see FD(LOCAL) recommendations in Update 115],
- Develop credit recovery plans for students who were denied credits outside the district or if the student's credit deficit would impede on-time promotion or graduation,
- Create course transition plans for students who were denied credit,
- Develop and administer personal graduation plans for junior or middle school students, and
- Comply with existing Education Code provisions regarding awarding of diplomas.

EI(LOCAL) ACADEMIC ACHIEVEMENT

Provisions on partial credit have been updated to reflect revised Administrative Code rules, which changed terminology regarding awarding of credit proportionately when a student receives a passing grade in "half" of a course, rather than per "semester."

To provide flexibility, Policy Service is recommending deletion of the statement that a student shall be required to retake only the portion of the course with a failing grade. The ways a student can earn credit for the failed part of a course can include various methods other than retaking the failed portion, and board policy is not required to specify which particular method may be used.

New Administrative Code rules address transition assistance for highly mobile students who are homeless or in substitute care. Because these new rules address similar concepts as the district's current text on late enrollment or withdrawal of migrant or homeless students and to avoid conflict with the new rules, Policy Service recommends deleting this provision from local policy. Any specific practices in this area will need to align with the new rules and could be included in administrative procedures. See also FD(LO-CAL) in this update for recommended changes addressing the new Administrative Code rules.

EIF(LEGAL) ACADEMIC ACHIEVEMENT: GRADUATION

Beginning with students enrolled in the 12th grade in the 2021–22 school year, HB 3 will require a student to complete and submit a federal or Texas application for financial aid to graduate. The provision has been added to the policy manual now in case the district starts receiving questions about this provision. TEA will be issuing rules with more details.

TASB Localized Policy Manual Update 115

Denton ISD

Details on forming an individual graduation committee, including acceptable alternate members, have been added from amended Administrative Code rules, effective February 10, 2020.

Administrative Code rules effective November 24, 2019, provide that a student who completes the core curriculum of an institution of higher education meets the curriculum requirements for the foundation high school program, earns an endorsement and the distinguished level of achievement, and is entitled to a high school diploma.

Provisions on transitioning to the foundation high school program have been deleted from law.

EKB(LEGAL) TESTING PROGRAMS: STATE ASSESSMENT

Changes to this legally referenced policy on assessments include:

- Additional detail on end-of-course assessments, for more complete information;
- Deletion of detailed provisions on use of the TSI as a substitute assessment in lieu of a statutory reference; and
- Revisions to testing requirements for accountability purposes based on amended Administrative Code rules, effective February 23, 2020.

EKC(LEGAL) TESTING PROGRAMS: READING ASSESSMENT

Effective with the 2020–21 school year, HB 3 requires a district to administer the commissioner-adopted reading instrument or the commissioner-approved alternative reading instrument to students at the kindergarten level and report results of reading instruments to parents within 60 calendar days of administration.

ELA(LEGAL) CAMPUS OR PROGRAM CHARTERS: PARTNERSHIP CHARTERS

This legally referenced policy on partnership charters has been significantly revised in accordance with amended Administrative Code rules, effective March 31, 2020. The rules:

- State that operating partners have final and sole authority over certain campus decisions;
- Add numerous requirements for performance contracts; and
- Update the TEA approval process.

In accordance with amended Administrative Code rules, effective September 1, 2019, a performance contract for a partnership charter only needs to include assurances that the district has consulted with relevant campus personnel if the partnering entity is an open enrollment charter school and not for other partnering entities approved by TEA.

F(LEGAL) STUDENTS

Update 115 includes reorganization of student mental health provisions. As a result:

- FFE has been renamed Counseling and Mental Health;
- FFEA has been renamed Counseling; and
- FFEB has been renamed Mental Health.

FB(LEGAL) EQUAL EDUCATIONAL OPPORTUNITY

Denton ISD

FB(LOCAL) EQUAL EDUCATIONAL OPPORTUNITY

The provision on the Title IX coordinator has been updated in response to the new Title IX regulations. Corresponding wording changes were made to the ADA/Section 504 coordinator text.

FB(EXHIBIT) EQUAL EDUCATIONAL OPPORTUNITY

The new Title IX regulations require districts to notify employees, students, parents, and others of the Title IX coordinator's contact information, which now must include an email address. For consistency, Policy Service recommends adding an email address for the district's ADA/Section 504 coordinator.

If you have not already completed the survey from Policy Service regarding coordinator contact information, including providing email addresses for each coordinator, please do so in order for your policy consultant to update this exhibit.

FD(LOCAL) ADMISSIONS

New Administrative Code rules, effective March 30, 2020, address transition assistance for highly mobile students who are homeless or in substitute care and require districts to adopt local policy to assist with awarding credit to a student who is homeless or in substitute care for a course that was earned prior to the student enrolling in or transferring to the district. See Transition Assistance for recommended text to comply with this local policy requirement.

Additional revisions are recommended to more concisely reflect that a student who is enrolled in a homeschool or any other type of private school is not eligible for concurrent enrollment in the district or participation in district activities, except as required by law.

The *Legal Issues in Update 115* memo describes common legal concerns and best practices specific to this policy topic.

FEA(LEGAL) ATTENDANCE: COMPULSORY ATTENDANCE

From HB 3, we have added a provision, effective September 1, 2020, clarifying that a student is not required to attend school for the additional instructional days for which a district receives a financial incentive under Education Code 48.0051. See FEB(LEGAL) for more information.

FEB(LEGAL) ATTENDANCE: ATTENDANCE ACCOUNTING

Amended Administrative Code rules, effective December 25, 2019, delete the reference to taking attendance during the second or fifth instructional hour and specify that attendance shall be taken at the official attendance-taking time during the campus's instructional day. There is no requirement to include the official attendance-taking time in policy; it may be designated in district procedures.

From HB 3, we have added a provision, effective September 1, 2020, under which a district may receive a financial incentive for offering an additional 30 days of half-day instruction above the required minimum number of minutes for students in prekindergarten through fifth grade.

Denton ISD

FEB(LOCAL) ATTENDANCE: ATTENDANCE ACCOUNTING

Recommended revisions to this local policy on attendance accounting are to address amended Administrative Code rules that delete the reference to taking attendance during the second or fifth instructional hour and specify that attendance shall be determined at the official attendance-taking time during the campus's instructional day. The recommended text assigns to the superintendent the responsibility of designating the district's official attendance-taking time. Note that there is no requirement to include the official attendance-taking time in policy; it may be designated in district procedures.

FFE(LEGAL) STUDENT WELFARE: COUNSELING AND MENTAL HEALTH

Provisions on counseling have been moved to FFEA.

Denton ISD

FFEA(LEGAL) COUNSELING AND MENTAL HEALTH: COUNSELING

This legally referenced policy has been reorganized to focus on both behavioral and academic counseling programs. As a result:

- Personnel provisions on school counselors and their duties have been moved to DP(LEGAL), and
- Various provisions regarding consent to counseling services previously at FFE(LEGAL) have been moved to this code.

From HB 18, we have added a provision requiring a school counselor to work with various stakeholders to plan, implement, and evaluate a comprehensive school counseling program.

From HB 114, we have added a provision applicable with the 2020–21 school year requiring a school counselor to provide information regarding availability of college credit for military experience, education, and training obtained during military service.

FFEB(LEGAL) COUNSELING AND MENTAL HEALTH: MENTAL HEALTH

This legally referenced policy has been added to focus on student mental health programs. As a result, provisions on psychotropics and psychiatric evaluations previously at FFAC(LEGAL) have been moved to this code.

The policy now addresses the various mental health programs, as revised by HB 18, for which the district must develop practices and procedures. The practices and procedures must be included in the student handbook and district improvement plan. The 2020–21 <u>TASB Model Student Handbook</u> has been updated to meet this requirement.

Recommended text is included to provide the required policy addressing sexual abuse, trafficking, and other maltreatment of students that must be included in the district improvement plan and the student handbook. The 2020–21 <u>TASB Model Student Handbook</u> has been updated to meet this requirement.

The rules also revise the elements of the required child abuse and neglect reporting policy. To ensure all the policy elements are addressed in board-adopted local policy, we have revised and moved provisions from FFG(EXHIBIT) into this local policy and recommend deletion of the exhibit.

FFH(LEGAL) STUDENT WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

This legally referenced policy addressing discrimination, harassment, and retaliation against students has been significantly revised to include the new Title IX regulations, which define sexual harassment under Title IX and establish detailed procedures for how districts must respond to notice or allegations of sexual harassment.

The final Title IX regulations and related materials are available on the U.S. Department of Education <u>Office for Civil Rights</u> website.

Provisions on dating violence have been moved from BQ(LEGAL) to this code on discrimination, harassment, and retaliation.

FFH(LOCAL) STUDENT WELFARE: FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Based on the new Title IX regulations, recommended revisions include the following.

- The definition of Prohibited Conduct has been revised to include conduct that meets the Title IX definition of sexual harassment, but the policy retains the broader definitions of prohibited conduct in districts' current policies to ensure that all prohibited conduct is addressed.
- Text at Sex-Based Harassment and Investigation of Reports Other than Title IX directs readers to new provisions on responding to allegations of prohibited conduct that if proved would meet the definition of sexual harassment under Title IX, as the law requires a specific response process for these allegations. Allegations of prohibited conduct not based on sex or that would not meet the definition of sexual harassment under Title IX will follow the district's existing investigation process.
- The provision requiring an employee to report prohibited conduct has been updated to include either direct or indirect reports.
- Text at Response to Sexual Harassment—Title IX addresses legally required actions when the district receives notice or allegations of conduct that would meet the definition of sexual harassment under Title IX.
- New provisions direct the superintendent to develop a Title IX formal complaint process that will apply following a formal complaint and that must comply with the elements in the new regulations, as included in FFH(LEGAL).
- To determine responsibility in a Title IX formal complaint of sexual harassment, the policy designates that the district will use a *preponderance of the evidence* standard. If the board wishes to instead use the *clear and convincing evidence* standard, which is a higher standard of evidence, please contact the district's policy consultant. The district must use the same standard of evidence for investigation of all formal Title IX sexual harassment complaints, including complaints by employees.
- Provisions on retaliation and false claims have been updated and moved to the end of the policy.

Policy Service also recommends updates to the examples for harassment to include cyberharassment and electronic communications.

TASB's Title IX model procedures are available in <u>TASB School Law eSource</u>.

Oversight	The district must maintain oversight to ensure that contractors per- form in accordance with the terms, conditions, and specifications of their contracts or purchase orders.
Conflicts of Interest	The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees en- gaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]
Records	The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below]

These internal controls should be in compliance with guid- ance in "Standards for Internal Control in the Federal Govern- ment" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).			
	2.	Comply with federal statutes, regulations, and the terms and conditions of the award.			
	3.	Evaluate and monitor the district's compliance with statutes, regulations and the terms and conditions of federal awards.			
	4.	Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.

Federal Securities Law Disclosure Obligations for Bond and Other Debt Offerings	Prior to publicly offering bonds, a school district must prepare and deliver to an underwriter an official statement containing the terms of the bond offering, a description of the district itself, financial and operating data of the district, and any other information that may be material to an investor interested in purchasing the district's bonds or otherwise required by Rule 15c2-12 of the Securities Exchange Commission (SEC) (SEC Rule 15c2-12(b)). <i>17 C.F.R. 240.15c2-12</i> [See Note, below]
Continuing Disclosure after Issuing Bonds	Except for exempt offerings, SEC Rule 15c2-12(b) requires under- writers to obtain a continuing disclosure agreement (CDA) from the district when the district issues bonds. A CDA obligates the district to prepare and file continuing disclosures of financial information and operating data annually after the bonds are issued. A CDA also requires filing notice regarding the occurrence of events listed un- der SEC Rule 15c2-12(b)(5)(i)(C) within 10 business days following the occurrence of any such event. <i>17 C.F.R. 240.15c2-12</i> [See Note, below]

statements made in connection with the offer or sale of a district's bonds (or the omission of material facts from such statements), including the official statement itself and any other statement reasonably expected to reach bond investors (disclosures). *SEC Exchange Act Release No.* 33741 (*Mar. 9, 1994*)

The antifraud provisions also apply to a district's continuing disclosure obligations under SEC Rule 15c2-12(b) after a district's bonds are issued. [See Continuing Disclosure after Issuing Bonds, above] SEC Report on the Municipal Securities Market (July 31, 2012) (the "SEC 2012 Report") at pg. 29

Note: In preparing an official statement, a district may reasonably rely on the advice of outside professionals who are also subject to the antifraud provisions, but a district is primarily liable for the content of its official statement and other disclosures. *SEC Exchange Act Release No.* 36761 (Jan. 24, 1996)

A district may engage qualified consultants, including qualified disclosure or securities counsel and a financial adviser, to assist with preparing an official statement and other primary disclosures relating to a bond offering. Creation of internal procedures may help to insulate a district against criticism or liability under federal securities laws.

Districts may also engage disclosure counsel and/or other professionals to assist with secondary disclosure, including advice and assistance ensuring that (1) reporting requirements imposed by a CDA are satisfied and (2) information disclosed in periodic and occasional reports is accurate and complete.

Internal procedures may provide for (1) appointment of, and disclosure training for, district officials and employees who will be part of the financing team, (2) a procedure of accountability for review of the disclosures, and (3) ensuring that any procedures established are in fact followed.

Restriction on Maintenance Tax Levy	A district may not increase the rate of the district's maintenance taxes to create a surplus in maintenance tax revenue for the purpose of paying the district's debt service. <i>Education Code 45.0021(a)</i> [See Taxpayer Injunction, below]
<i>Maintenance Tax Rate Components</i> Tier One	A district's tier one maintenance and operations tax rate is the number of cents levied by the district for maintenance and opera- tions that does not exceed the maximum compressed rate, as de- termined under Education Code 48.2551.
Maximum Compressed Rate	"MCR" is the district's maximum compressed rate, which is the tax rate for the current tax year per \$100 of valuation of taxable prop- erty at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment to which the district is entitled under Education Code Chapter 48. The Texas Education Agency (TEA) shall calculate and make available school districts' maximum compressed rates.
	Education Code 48.2551
	School districts' maximum compressed maintenance and opera- tions tax rates shall be calculated using locally certified property values and adjusted to estimate for exclusions under Government Code 403.302(d).
	TEA will open a data collection from 12:01 a.m. on July 18 through 11:59 p.m. on August 1 for districts. Districts must submit the data specified in 19 Administrative Code 61.1000(c). TEA will use any available data to calculate MCR absent data collection submissions from a school district.
	19 TAC 61.1000(b), (c), (h)
	TEA will calculate and make available preliminary maximum com- pressed tier one tax rates to each district on or before August 5. If TEA receives an appeal of a preliminary MCR, TEA will issue a fi- nal determination to the district no later than August 31. If TEA does not receive an appeal of a preliminary MCR, the preliminary MCR automatically becomes a final MCR ten calendar days follow- ing TEA's approval of the district's preliminary MCR. <i>19 TAC</i> 61.1000(d)-(f)
	A district may appeal its preliminary MCR through the following process:

	1.	The TEA division responsible for MCRs must receive a written appeal no later than ten calendar days after TEA's approval of the district's preliminary MCR. The appeal must include ade- quate evidence and additional information that supports the position of the district. Appeals received 11 calendar days or more after TEA approves a district's preliminary MCR will not be considered.
	2.	TEA will only consider appeals that would result in a change of the preliminary MCR.

Exemptions Homestead <i>Mandatory</i>	An adult is entitled to exemption from taxation by a district of \$25,000 of the appraised value of the adult's residence home- stead, as defined by Tax Code 11.13(j), except that only \$5,000 of the exemption applies to an entity operating under former Educa- tion Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters ex- isted on May 1, 1995, as permitted by Education Code 11.301. <i>Tax</i> <i>Code 11.13(b)</i>			
Persons 65 or Older or Disabled	In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code $11.13(m)(1)$, or 65 or older is entitled to an exemption of \$10,000 of the appraised value of the individual's residence homestead. <i>Tax Code</i> $11.13(c)$			
Tax Limitation	A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. <i>Tax Code 11.26(a)</i>			
Improvements	If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements re- quired to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. <i>Tax Code 11.26(b)</i>			
Exception	An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. <i>Tax Code 11.26(o)</i>			

Portability of Tax Limitation	If an individual who receives a tax limitation, including a surviving spouse, discussed below, subsequently qualifies a different residence homestead for the same exemption, a district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes calculated in accordance with Tax Code 11.26(g). <i>Tax Code 11.26(g)</i>
Surviving Spouse	If an individual who qualifies for the exemption at Persons 65 or Older or Disabled, above, dies, the surviving spouse of the individ- ual is entitled to the limitation applicable to the residence home- stead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence home- stead of the surviving spouse. <i>Tax Code 11.26(i)</i>
<i>Local Options</i> All Taxpayers	In addition to other exemptions in Tax Code 11.13, an individual is entitled to an exemption from taxation by a district of a percentage of the appraised value of the individual's residence homestead if the exemption is adopted by the board before July 1 in the manner provided by law for official action by the board. If the percentage set by the district produces an exemption in a tax year of less than \$5,000 when applied to a particular residence homestead, the indi- vidual is entitled to an exemption of \$5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. <i>Tax Code 11.13(n)</i>
Disabled or 65 or Older	An individual who is disabled or 65 or older is entitled to an exemp- tion from taxation by a district of a portion of the appraised value of the individual's residence homestead if the exemption is adopted either by the board or by a favorable vote of a majority of the quali- fied voters of the district at an election called by the board, and the board shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the district.
Amount	The amount of an exemption adopted as provided at Disabled or 65 or Older is \$3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. In the case of a decrease, the amount of the exemption may not be reduced to less than \$3,000 of the market value.

Surviving Spouse of First Responder	The surviving spouse of a first responder who is killed or fatally in- jured in the line of duty is entitled to an exemption from taxation of the total appraised value of the surviving spouse's residence homestead if the surviving spouse is an eligible survivor for pur- poses of Government Code Chapter 615 as determined by the Em- ployees Retirement System of Texas and has not remarried since the first responder's death. <i>Tax Code 11.134</i>	
Veteran Exemptions 100 Percent Disabled	A disabled veteran who receives from the U.S. Department of Veterans Affairs or its successor 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead. <i>Tax Code 11.131(b)</i>

Surviving Spouse of Veteran	The surviving spouse of a disabled veteran, as defined by Tax Code $11.22(h)(3)$, is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if it had been in effect on the date of death if:	
	1. The surviving spouse has not remarried since the death of the disabled veteran; and	
	 The property was the residence homestead of the surviving spouse when the disabled veteran died and remains the resi- dence homestead of the surviving spouse.

Financial Accountability Rating System	TEA will assign a financial accountability rating to each district as required by Education Code 39.082.
	TEA will base the financial accountability rating of a district on its overall performance on the financial measurements, ratios, and other indicators established by the commissioner. Financial accountability ratings for a rating year are based on the data from the immediate prior fiscal year.
	A financial accountability rating remains in effect until replaced by a subsequent rating.
	19 TAC 109.1001(b), (e), (l)
Issuance of Ratings	TEA will issue a preliminary financial accountability rating to a dis- trict on or before August 8 of each year. TEA will not delay the issu- ance of a preliminary or final rating if a district fails to meet the stat- utory deadline under Education Code 44.008 for submitting the annual financial report (AFR). Instead, the district will receive an F rating for substandard achievement.
Appeals	A district may appeal its preliminary financial accountability rating through the appeals process described at 19 Administrative Code 109.1001(n).
	If TEA receives an appeal of a preliminary rating, TEA will issue a final rating to the district no later than 60 days after the deadline for submitting appeals. If TEA does not receive an appeal of a preliminary rating, the preliminary rating automatically becomes a final rating 31 days after issuance of the preliminary rating.
	A final rating issued by TEA may not be appealed under Education Code 7.057 or any other law or rule.

Graduation of Military Dependents Course Waiver District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During Senior Year Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing Standard The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Special Education	The Texas Education Agency (TEA) shall develop or adopt appro- priate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as deter- mined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment in- struments approved by the commissioner, must, to the extent al- lowed under federal law, provide a district with options for the as- sessment of students.
	TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.
	The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

meet all applicable requirements and the campus was operated under the partnership from the first to the last day of the school year of the campus. A school year must include, at a minimum, all minutes of operation and instructional time conducted on the campus, and all the days for which the instructional workforce of the campus that provides education services for students are employed. The overall performance rating received by the campus during those first two school years is not included in calculating consecutive school years and is not considered a break in consecutive school years. Education Code 11.174(f); 19 TAC 97.1077 Applicability A campus shall not qualify for an intervention pause unless during the school year prior to the operation of a partnership charter the campus received an unacceptable performance rating, except as provided by 19 Administrative Code 97.1077(e) (campus that operates a partnership charter for less than a year). 19 TAC 97.1062(b) The Texas Education Agency (TEA) will not withdraw or postpone issuing any orders or determinations required or authorized that arise due to the performance rating from the school year prior to the school year in which the campus gualifies for the intervention pause, and any order or determination will resume upon expiration of the intervention pause. Any intervention or sanction not covered by the intervention pause shall continue. If a campus ceases to qualify for the intervention pause at any point during a school year, TEA will resume previously ordered interventions and sanctions, order interventions and sanctions based on the rating from that school year, and count that rating for purposes of consecutive years of performance. TEA will not pursue interventions under Education Code 39A.101-39A.109 and 39A.111 for a campus eligible for an intervention pause if one of the school years eligible for an intervention pause results in an acceptable or higher overall rating. If after the expiration of the intervention pause a campus receives an unacceptable rating, TEA will apply the requisite interventions that apply to the consecutive year that corresponds to the campus's actual number of consecutive years of unacceptable performance minus the number of intervention pause years and, if applicable, accounting for the modification under 19 Administrative Code 97.1062(c).

	If a campus qualifies for an intervention pause for a school year af- ter the conclusion of the school year in which an order is author- ized under Education Code 39A.111, the intervention under Educa- tion Code 39A.111 will not pause.
	A campus that receives an intervention pause will still receive an accountability rating for that school year.
	Performance of students at a campus that receives an intervention pause shall be considered in the accountability rating of the district and the application of an intervention pause to a campus shall not pause or alter any intervention applicable to the district or other campuses.
Appeal	A determination under this section that arises from the application of Education Code 28.020 is final and may not be appealed.
Partial Year	A partial school year that results in an intervention pause under 19 Administrative Code 97.1077(b) or (c) constitutes one full year of a pause. This provision expires on September 1, 2023.
	19 TAC 97.1062(d), (f)-(n)
Additional Exemption	A campus that receives an exemption from a sanction or other ac- tion may receive another exemption while operating under a sub- sequent contract only if the campus receives approval for the ex- emption from the commissioner. <i>Education Code</i> $11.174(g)$
Funding for Certain Students	A district that enters into a contract is entitled to receive for each student in average daily attendance at the campus an amount equivalent to the difference, if the difference results in increased funding, between the amount described by Education Code 12.106 and the amount to which the district would be entitled under this Education Code Chapter 48. This section applies only to a district that does not appoint a majority of the governing body of the charter holder. <i>Education Code 48.252</i>
Consultation with Campus Personnel	Before entering into a contract, the district must consult with cam- pus personnel regarding the provisions to be included in the con- tract between the district and the open-enrollment charter school. All rights and protections afforded by current employment contracts or agreements may not be affected by the contract entered into be- tween a district and an open-enrollment charter school. <i>Education</i> <i>Code 11.174(c)</i>
Notice to Commissioner	A district proposing to enter into a contract with a campus or pro- gram charter shall notify the commissioner of the district's intent to enter into the contract according to commissioner rules. The com- missioner shall notify the district whether the proposed contract is

	approved not later than the 60th day after the date the commissioner receives notice of the proposed contract and all information required by the commissioner to be submitted. If the commissioner fails to notify the district that the proposed contract has been approved or denied within the period prescribed by this subsection, the proposed contract is considered approved. <i>Education Code</i> $11.174(k)$				
Enrollment Eligibility	The contract must include a provision addressing student eligibility for enrollment.				
	The contract must provide that any student residing in the attend- ance zone of the campus as the attendance zone existed before operation of the campus under the contract shall be admitted for enrollment at the campus. The contract must establish enrollment preference for students who do not reside in the attendance zone as follows:				
	 Other students residing in the school district in which the cam- pus is located; and 				
	2. Students who reside outside the school district.				
	Education Code 11.174(h), (i)				
Operating Partner	An operating partner means a state authorized open-enrollment charter school or an eligible entity as defined by Education Code 12.101(a). <i>19 TAC 97.1075(b)(1)</i>				
Conferred Authority	The district must confer, at a minimum, the following enhanced au- thorities to the operating partner:				
Staffing Authorities	 The operating partner must have authority to employ and manage the campus chief operating officer, including the ini- tial and final non-delegable authority to hire, supervise, man- age, assign, evaluate, develop, advance, compensate, con- tinue employment, and establish any other terms of employment.

The operating partner must have authority over the employ- ees of the operating partner, including initial and final non-del- egable authority for the operating partner to employ and/or manage all of the operating partner's own administrators, ed- ucators, contractors, or other staff. Such authority includes the authority to hire, supervise, manage, assign, evaluate, de- velop, advance, compensate, continue employment and es- tablish any other terms of employment.

Definitions Student with a Disability	A "student with a disability" is one who has a physical or mental im- pairment that substantially limits one or more of the student's major life activities, has a record of having such an impairment, or is be- ing regarded as having such an impairment.
	The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices (which do not include ordinary eyeglasses or contact lenses), prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.
	An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disa- bility. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.
	A student meets the requirement of being "regarded as" having an impairment if the student establishes that he or she has been sub- jected to a prohibited action because of an actual or perceived physical or mental impairment whether or not the impairment limits

Qualified Individual with a Disability	The term "qualified individual with a disability" means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a district. <i>42 U.S.C. 12131(2)</i>

"Major life activity" also includes the operation of major bodily functions, including functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions. <i>42 U.S.C. 12102(2)</i>
Reasonable Modification	A district shall make reasonable modifications in policies, practices, or procedures when the modifications are necessary to avoid discrimination on the basis of disability, unless the district can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity. <i>28 C.F.R. 35.130(b)(7)</i>

	The ADA does not require a district to permit an individual to partic- ipate in or benefit from the services, programs, or activities of that district when that individual poses a direct threat to the health or safety of others.
	In determining whether an individual poses a direct threat to the health or safety of others, a district must make an individualized assessment, based on reasonable judgment that relies on current medical knowledge or on the best available objective evidence, to ascertain:
	1. The nature, duration, and severity of the risk;
	2. The probability that the potential injury will actually occur; and

Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflect- ing the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test pur- ports to measure).

Compliance with the procedural safeguards of IDEA is one means of meeting this requirement. <i>34 C.F.R. 104.36</i>

Records	A district must maintain records to reflect the average daily attend- ance for the allocation of Foundation School Program (FSP) funds and other funds allocated by the Texas Education Agency (TEA). The district must maintain records and make reports concerning student attendance and participation in special programs as re- quired by the commissioner of education. The superintendent, prin- cipals, and teachers are responsible to the board and the state to maintain accurate, current attendance records. <i>19 TAC 129.21(a),</i> <i>(e)</i>

	The superintendent is responsible for the safekeeping of all attend- ance records and reports. The superintendent may determine whether the properly certified attendance records or reports for the school year are to be stored in the central office, on the respective school campuses of a district, or at another secure location. Full-Day Students	Students enrolled on a full-day basis may earn one full day of attendance each school day.
Half-Day Students	Students enrolled on a half-day basis may earn only one half day attendance each school day. Attendance is determined for these pupils by recording absences in a period during the half day they are scheduled to be present.

The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off-campus during the regular attendance-taking time (for example, for the semester or for the duration of employ- ment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students. If attendance is taken at an off-campus location, the district must ensure that at- tendance is taken in accordance with the <i>SAAH</i> .
	For a district to receive FSP funding for a student participating in an off-campus program, the district must have documentation of an agreement between the district and the college.

against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

"Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

"Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

- 1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
- 2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity; or
- "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Supportive measures" means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines

	or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The dis- trict must maintain as confidential any supportive measures pro- vided to the complainant or respondent, to the extent that maintain- ing such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is re- sponsible for coordinating the effective implementation of support- ive measures.
	34 C.F.R. 106.2, .30(a)
Deliberate Indifference	A district with actual knowledge of sexual harassment in an educa- tion program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known cir- cumstances.
Education Program or Activity	For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], "educa- tion program or activity" includes locations, events, or circum- stances over which the district exercised substantial control over both the respondent and the context in which the sexual harass- ment occurs.
	34 C.F.R. 106.44(a)
Title IX Coordinator Response	The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. <i>34 C.F.R.</i> 106.44(b)(1)
Supportive Measures Required	A district's response must treat complainants and respondents eq- uitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX For- mal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. 	A di	strict's Title IX formal complaint process must:				
	1.	Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsi- bility for sexual harassment has been made against the re- spondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures				

against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;

- Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
- Require that any individual designated by a district as a Title 3. IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment:
- Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
- 5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably

		prompt time frames for filing and resolving appeals and infor- mal resolution processes if the district offers informal resolu- tion processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include con- siderations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;			
	6.	Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and reme- dies that the district may implement following any determina- tion of responsibility;			
	7.	State whether the standard of evidence to be used to deter- mine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, ap- ply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;			
	8.	Include the procedures and permissible bases for the com- plainant and respondent to appeal;			
	9.	Describe the range of supportive measures available to complainants and respondents; and			
	10.	Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the per- son holding such privilege has waived the privilege.			
	34 C.F.R. 106.45(b)(1)				
Notice of Allegations		n receipt of a formal complaint, a district must provide the fol- ng written notice to the parties who are known:			
	1.	Notice of the district's Title IX formal complaint process, in- cluding any informal resolution process.			
	2.	Notice of the allegations of sexual harassment potentially con- stituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response be- fore any initial interview. Sufficient details include:			
		a. The identities of the parties involved in the incident, if known;			

- b. The conduct allegedly constituting sexual harassment; and
- c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

Dismissal of a Formal Complaint The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

> The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

Consolidation of Formal Complaints	sexu than party assr tle IX ant o the s	strict may consolidate formal complaints as to allegations of ual harassment against more than one respondent, or by more one complainant against one or more respondents, or by one y against the other party, where the allegations of sexual har- ment arise out of the same facts or circumstances. 	34 C	C.F.R. 106.45(b)(3)–(4)
Investigation of a Formal Complaint		en investigating a formal complaint and throughout the Title IX all complaint process, a district must:
	1.	Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding respon- sibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physi- cian, psychiatrist, psychologist, or other recognized profes- sional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provi- sion of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a Title IX formal complaint (if a party is not an "eligible student," as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, writ- ten consent of a "parent," as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
	2.	Provide an equal opportunity for the parties to present wit- nesses, including fact and expert witnesses, and other incul- patory and exculpatory evidence;
	3.	Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evi- dence;
	4.	Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, in- cluding the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or re- spondent in any meeting or Title IX formal complaint proceed- ing; however, the district may establish restrictions regarding

the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

- 5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- Provide both parties an equal opportunity to inspect and re-6. view any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
- 7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior

available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

Retaliation Prohibited No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

> Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

	Has the purpose or effect of substantially or unreasonably inter- fering with the student's academic performance; or	
	 Otherwise adversely affects the student's educational opportu- nities.

Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.	

	For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

Title IX Formal Complaint Process To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

> The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

- 1. Equitable treatment of complainants and respondents;
- 2. An objective evaluation of all relevant evidence;
- 3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
- 4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
- Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;
- A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
- A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
- 8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
- A description of the supportive measures available to the complainant and respondent;

	 A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
	 Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation proce- dures; and
	12. Other local procedures as determined by the Superintendent.
Standard of Evidence	The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.
Retaliation	The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retalia- tion under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX.
Examples	Examples of retaliation may include threats, intimidation, coercion, rumor spreading, ostracism, assault, destruction of property, unjus- tified punishments, or unwarranted grade reductions. Unlawful re- taliation does not include petty slights or annoyances.
False Claim	A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropri- ate disciplinary action in accordance with law.
