Media Center Power Upgrades

Jeremy,
We are pleased to provide the following material and labor proposal for the electrical scope of work involved in the media center power upgrades we have discussed. What is included is listed below.

Included

- (9) Wire mold convenience receptacles.
- (2) Receptacles for wall mounted flat screens.
- (4) New workstation receptacles.
- (2) New high-top receptacles. (Or power connection to desk mounted receptacles)
- (1) Ceiling receptacle above desk location.
- New circuitry and breakers ran from panel in mezzanine mech room.
- Add (1) light switch for northwest classroom to be separately control from media center.
- New copier location receptacle.
- New data drop for copier.
- New laminator location receptacle.
- Permit costs.

Total Cost – \$10,650

Add For (1) Power Pole - \$750

Thanks for the opportunity! If you have any questions or need anything else let me know.

Thanks,

Austin Moss
