1. Truth in Taxation (6:00)
The TNT meeting will begin at 6:00 p.m. We will review the levy at this time and field any questions the public may have. There is no action related to this item.
2. FY25 Audit
I recommend a motion to approve the FY25 audit as presented. A member of the audit team will present highlights of the audit from fiscal year 25. You should have received a draft copy of the audit from Lisa Steggerda.
3. Approve Final Levy.
The levy must be certified and submitted to the State by Dec. 28th. The overall levy has decreased by 3.44%, primarily due to declining enrollment.
4. Approve Policy 707
I recommend a motion to approve Policy 707 as presented.
There are times when students require treatment outside of the district. These are generally referred to as care and treatment programs. The district may establish reasonable restrictions on how far we will travel. GCED has established a recommendation that all GCED member districts follow the same restrictions. The district will follow the limitations set in GCED policy 707, which currently is 60 miles.
5. Closed Session - Superintendent Mid-Year Evaluation
