<b>ESTIMATED TIME:</b> Unless otherwise noted, Centaris charges by the hour for services performed for a client. This is not limited or restricted in any way by current or previous Centaris estimates. Estimates are created using our experience and the best business judgment of Centaris. Estimates are provided to the client to give an idea on scope of a given project and cannot be considered binding. You will only be billed for the actual amount of time to complete the tasks defined. In most cases, Centaris can cost fix some portion of the labor services if a detailed implementation plan is completed. Unless otherwise specified, travel charges are not included, and services will be delivered during normal Centaris business hours.
