Discussion was had on the timing for possibly being able to add volleyball as a sport once the housing on 41st Street is completed. Brief discussion was had on who oversees housing and who is responsible for keeping the College in compliance with Title IX. Dr. Shelton gave the board an overview of what compliance with Title IX means. Dr. Shelton continued with a brief update of the summer facilities projects going on currently. The Board also has some facilities items that are on the regular agenda tonight. One is for work needed for the landscaping at the Main Campus.
