**SHEILA V. CANTU**

**DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS**

Audiological and audiometric equipment, supplies, and related services are essential because they ensure students receive accurate hearing screenings, assessments, and timely support services required for learning. Reliable equipment and qualified service providers help schools meet state and federal mandates, identify hearing issues early, and provide appropriate interventions that support academic success.

A Competitive Sealed Proposal (CSP) #26-001, *Audiological/Audiometric Equipment, Supplies and Related Services*, was issued to over fifty (50) vendors. A of five (5) responses were received and opened by the Purchasing Department on Friday, September 26, 2025.

An evaluation committee, comprised of representatives from various departments involved in audiological/audiometric needs, was convened to review and assess the proposal. The committee evaluated the responses based on the criteria outlined in the CSP. Each category was scored individually, and the totals were compiled to determine the overall ranking. One vendor was determined to be outside the scope of the CSP, was notified accordingly, and was not evaluated.

Based on the evaluation results, the committee recommends that the proposal be awarded to the following vendors:

Oaktree Products, Inc.  
Oticon Inc  
Procure Therapy  
School Health Corp.

Out of scope:  
Vetucation
