PRINCIPAL'S MESSAGE

By Casey Alderson, Principal

Spring is in the air!

Things are heating up at Illinois Valley High School as we enter the second half of the school year! Staff and students have been working hard this year and will continue as we gear up for the third trimester and our march towards graduation!

As we approach the end of the second trimester, please be aware of the schedule change that has occurred to recover the lost class time due to freezing and snow conditions in December. It is important for students to be in school and get the most out of their education. The time that was added back in and the change to the schedule is reflected in the new Three Rivers Calendar that is attached in this newsletter. Adjustments were made to the end of the second trimester as well as the end of the school year.

Lastly, we are in the midst of the cold and flu season. If your student is home ill, please contact the attendance office the day of his or her absence so that the school and teachers are notified. We want to be able to continue support with your student while they are out with homework and study material so no loss of learning occurs. Just as a reminder, once a student reaches 10 consecutive unexcused absences, the student will be dropped and will need to be reenrolled after meeting with administration and being placed on an attendance contract. We have some students that bounce around this threshold and I am asking for your help to continue to push your student to attend school and be accountable for their school attendance. It should also be noted that if your student is between 7 and 18 years old, and has

excessive unexcused absences that can be determined by ORS 339.925 you as the parent can be fined up to \$150.00. After the third offense for students in age 7-14, the parent may be fined up to \$720.00 under ORS 163.577. Please check your students handbook for an in depth look at our attendance policy. Our main goal is to see student walk across the stage in four years and in most cases, poor attendance negatively affects the students ability to learn and meet the graduation requirements.

Have a great Spring!

Thank you,

Casey Alderson
Principal

If you have email registered with the school, we will often send emails as well.

At this time, our Attendance Clerk, Mary Paul, personally follows up on absences on a daily basis. If your student missed all or part of school, please call the school the next morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. You may also send Ms. Paul an email to verify or excuse an absence or tardy at [mary.paul@threeivers.k12.or.us](mailto:mary.paul@threeivers.k12.or.us). It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for un-cleared absences.

## January/February 2014 Staff Recognition

**Lynn Schliermeyer** has done a tremendous job in our Special Education department this year, as well as being an active part in our school-wide initiatives. Lynn's calm

demeanor creates a culture of learning in the Illinois Valley Special Education program and works hard to see that every child succeeds. She has worked hard to build the bridge of vertical alignment between the elementary, middle school, and high school programs.

Lynn has also been active in the school committees around technology, school improvement, and our scheduling committee as we look towards the future.

**Sara Creek** has been a fantastic addition to the IVHS staff this year. She works as our advocate, runs study hall sessions, and makes numerous phone calls to parents regarding their students' success.

Sara has made a tremendous difference in the lives of some of our most challenged youth. Her rapport with kids and the ability to get them to aspire to do more has made a big impact at IVHS.

## State of Jefferson Scavenger Hunt—IVHS Team

## PARENT & STUDENT RESOURCES

### YEAR-ROUND ON-LINE STUDY RESOURCES AVAILABLE

On-Line support to help your student keep the skills learned, in shape. Like exercising your muscles on a daily or weekly basis, so too does the brain need its physical activity. The following web sites are provided to assist.

#### My student doesn't understand their homework . . . now what?

We have all been in the situation where our students don't understand the homework and we are trying to dust off the files in our head to remember how to do that math problem or remember what happened in this historic battle. It can be frustrating for both the student and the parent to get through the homework. In today's world full of technology students have numerous resources available to help them re-learn the concepts. The following are just three of the many sites available.

#### Khan Academy – [www.khanacademy.org](http://www.khanacademy.org)

This website has over 4,000 videos on subjects from geometry to chemistry to computer science. This is a great tool that actually re-teaches the material step by step. Many times hearing the concept explained by someone else makes that light bulb turn on and the student understands. Interactive practice is also available to solidify the concepts.

Sophia – [www.sophia.org](http://www.sophia.org) Video clips are also available at Sophia, but there is also much more. Over 28,000 tutorials including slideshows and screencasts are available anytime. The site also tailors the information according to the student's learning style, which is determined through a short quiz.

Quizlet – [www.quizlet.com](http://www.quizlet.com) This is a great study tool. There are thousands of flash cards & quizzes on the site developed by students and teachers from around the world in nearly every subject you can think of. Students can use an already created tool or create one of their own to challenge themselves and others in their class. This is a great vocabulary tool.

We hope you will find these resources helpful. If you would like more information or other ideas how to help your child at home please do not hesitate to contact the office.

**ODYSSEYWARE** is an on-line academic website which provides innovative, 21st century learning opportunities for our students.

*Three Rivers School District/Illinois Valley High School* uses this program for students outside of the regular classroom setting, and for students that need to do make up classes (Credit Recovery) to be eligible for graduation.

**ODYSSEYWARE (OW)** is web-based. If you have internet access, your student can access his/her assignments, which allows them the ability to complete the courses as fast as he/she needs to, whether they are in the classroom or at home.

To access the **ODYSSEYWARE** web site once your student has been registered, he/she will need to go to <https://3rivers.owschools.com>. From there, they will be able to login and access the courses that they are enrolled in.

## IVHS ASPIRE: HELPING STUDENTS BUILD BETTER FUTURES

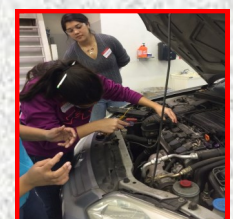

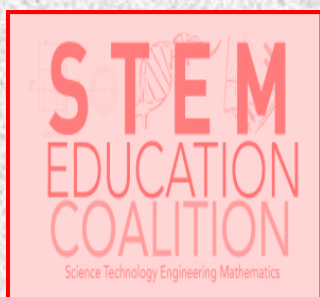

We want our children to have bright futures, but college tuition bills and student loan debts can be a burden. What if our children could attend college for free, or even at half cost? The ASPIRE mentoring program at IVHS help students explore career goals, find education/training programs that work for them, and build academic & extracurricular records that will make them eligible for the biggest scholarships and grants. At no cost, students can meet for one hour per week with a mentor trained to help them take steps toward reaching their long-term goals.

My name is Sara Austin, and I was an IVHS student from 2005-09. With the help of my former ASPIRE mentor, I received scholarships from the University of Oregon and graduated in 2013 with no debt! I was a first-generation college student and my family couldn't afford to pay for college; but that didn't matter. My ASPIRE mentor showed me how to apply for need-based and merit-based scholarships that covered the cost of tuition. It is my goal to "Pay it Forward", and show students how to plan for their future higher education now.

High school students win scholarships by developing track records of academic success, extracurricular activities, and volunteer and work experiences that reflect the long-term goals. That's why it's never too early for students to join ASPIRE—freshmen and sophomores can

work on forming long-term goals and taking early steps toward achievement. Juniors and Seniors learn about the process of applying for colleges, scholarships and financial aid, and the deadlines they must meet.

Parents—encourage your teens and young adults to join the ASPIRE program! It will be a good investment in both their future, and your own. If you want to help the students of IVHS, consider signing up to be trained as a volunteer ASPIRE mentor. Adult mentors must pass a criminal background check before working with students. If you have questions about the program, or want to get involved, don't hesitate to contact me, Sara Austin, ASPIRE Coordinator: (541)-218-5998, [ivhs.aspire@gmail.com](mailto:ivhs.aspire@gmail.com) Learn more about ASPIRE in Oregon: [www.oregonstudentaid.gov/aspire.aspx](http://www.oregonstudentaid.gov/aspire.aspx)

On Thursday, January 30<sup>th</sup> 25 students from IVHS spent the day at Rogue Community College learning about careers in Science, Technology, Engineering & Math (STEM) at the **STEM Academy**.

The gentlemen spent the day at the **Highland Ave Fire Station** learning about a career in Firefighting. Some even got to experience what it is like to escape a smoke-filled room. They all asked questions, tested out various equipment and had a great time.

The young women spent the morning learning about automotive technology. The instructor spent some time explaining and showing the students how a car starts. Then it was their turn to shine. Four cars wouldn't start for various reasons. The students split up into small groups, figured out the problem, fixed it and got the car to start. When one group finished they went over to encourage and help another group. It was a great hands-on, real life experience.

They enjoyed lunch, which was provided by RCC, and then toured the campus. It was a great day and we are looking forward to a **RCC STEM Academy** trip this spring.

January 2014

To Whom It May Concern:

This letter is sent to you on behalf of the Illinois Valley High School graduating class of 2014. Graduation is rapidly approaching and we are seeking the help of our community in order to make the **Safe & Sober Grad Night 2014** a successful event.

To give a little background information the Safe & Sober Grad Night event is not a "school" function, however it is held at Illinois Valley High School from 10:00p.m. to 5:00a.m. on graduation night, this year being June 4<sup>th</sup>. There is a Senior Grad Night committee that organizes and raises funds that host the evening's events. We are actively seeking additional volunteers.

On the night of the event the Commons and gymnasium are used to host various activities such as having a DJ available, photo booth, ping pong, etc. for the senior students and free food and beverages are made available through-out the evening. There is also a raffle for those participating seniors and the prizes consist of great items that are very valuable to young adults and college seekers i.e. microwaves, bedding, reading lights, laundry hampers, gift cards to Wal-Mart, and Staples just to name a few. This event is a great way for the students to reminisce with their friends one last time before their new journey begins and **most importantly to be able to celebrate their accomplishments in a SAFE and SOBER environment!**

We realize that our local businesses get hit hard through-out the year with various groups asking for donations; however without your support we would not be able to fund this important event. There are several ways that you could lend your support. If interested please complete the bottom portion of this letter and return to the address listed above.

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM.

The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

**Utilizing the *Synrevoice* automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (*these calls could begin as early as 5:30 AM*).**

***Important note about the calling system:* It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything.**

**This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.**

All closures and/or delays will also be posted on our District website.

If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.

You are also advised to tune in to radio stations KAJO, KLDR, KRWQ and KBOY and TV stations KOBI (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.

Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.

Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.

If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**It is very important that you keep the school informed of your current phone number and e-mail address to assure proper notification.**

PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES

Dear Parents/Guardians,

I am Heather Merrill, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - A birth certificate(s) for the child (ren)
  - Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

Needs school supplies/backpack: \_\_\_\_\_

Needs clothing/shoes: \_\_\_\_\_

Needs a haircut: \_\_\_\_\_

A LAS FAMILIAS Y ESTUDIANTES SIN HOGAR**

Estimados Padres / Tutores,

Soy Heather Merrill, la Defensora Familiar de Illinois Valley High School.

El propósito del partidario familiar es de ayudar a los estudiantes a superar las barreras hacia el éxito. Por ejemplo: Ayudarles en tener exámenes o consejos, obtener actas de nacimiento, programar ayuda extra con tutores y otros servicios relacionados.

Añadiendo, hay una ley federal llamada **Mckinney-Vento** que proporciona asistencia adicional a los estudiantes que reúnen las definiciones federales de "sin hogar" estas incluyen:

- Vivir en una casa sin calefacción o sin agua
- Hospedarse con amigos u otros parientes debido a la dificultad económica o pérdida de hogar
- Huyendo de una situación de violencia doméstica

Viviendo en un automovil, van, camión, casa de campaña o una estructura no permanente

Vivir en cualquier situación mencionada arriba puede que el estudiante pueda recibir:

- Transporte hacia su escuela en el hogar si estar sin hogar requiere movimiento
- Registro inmediato, aunque existan circunstancias, como no tener a la mano:
  - o Acta de nacimiento de su hijo(a).

Certificado de vacunas.

Por favor ayudenme a identificar a cualquier estudiante con necesidades específicas que estén a su cargo. Tiene usted algún estudiante que se pueda beneficiar de los servicios enlistados arriba? Si es así, haga una lista del estudiante con su nombre y necesidades específicas.
