

Dear Mr. Tammi and Board of Education,

Our class, the 2021 senior class at Indus school, would like to propose that we take a senior trip on April 16th-18th. Friday through Sunday (Backup dates, May 14th-16th) our class would like to go to Eveleth, Duluth & Twincities area.

We would ask the school board to cover transportation cost, 1 van and the cost of substitute teachers for Ms. Mayer and Mr. Olesen.

Our itinerary would be both educational and recreational. We will add a few things once we know when we can go for sure

Leave Friday morning:

Stop at Eveleth community college (RayAnna is enrolled there in the Paramedic program)
