Re: Tax Levy 2024

Date: December 16, 2024

Background:

Adopting a levy on an annual basis is one of the major functions of the Board of Education. Revenues from local property taxes generate approximately 84% of all revenues for this school district, which is done through the levy process. On October 28, 2024, the tentative levy was presented to the Board of Education, as required by law at least 20 days prior to its adoption. Finally, the levy needs to be filed with the County Clerk's Office on or before the last Tuesday in December.

Situation:

On Wednesday, December 4, 2024 a notice was published in the Daily Herald announcing a public hearing to be held at the District Office on December 16, 2024 for the purposes of adopting the 2024 tax levy. Levy amounts were determined based on projected expenditures for the 2024-2025 budget. Revenues from the 2024 levy will be received in June and September, impacting two budget years. The district's levy request reflects an increase of 13.69%.

For your convenience I have attached the four legal documents that will need to be signed by the Board of Education's President and Secretary; 1.)Resolution Approving the Tax Levy, 2.) Certificate of Tax Levy (ISBE 50-02), 3.)The Secretary's Certificate for Approving the Resolution of Tax Levy. 4.) Certificate of Compliance with the Truth in Taxation Law

Recommendation:

That the Board of Education of Bloomingdale School District 13, DuPage County, Illinois, approve levies on the equalized assessed valuation of the taxable property of said school district for the year 2024 as described in the Resolution Approving 2024 Tax Levy as presented.
