

POLICY LIST

4-13-2021- Updates

7440: Facility Security

The policy is revised to refer to the District's policy on developing the school safety plan in the manner more fully described in Policy 8420. Also, it is revised to remove as an option that the doors be locked during instruction as that is a minimum expectation relative to security.

8462: Child Abuse and Neglect

This policy has been changed to remove reference to the mandatory reporting requirements associated with threats of violence and relocating them to a separate related policy.
