

MCEA Activites

* Negotiations Training- Eleven of our members participated in Interest Bargaining Training (IBB) with members of the board, administrators, and Dr. Cox. Everyone enjoyed the trainings and felt like they learned what IBB was all about. They thought that by making a list of interests before our first negotiation meeting, it would get everyone working together and on the same page. Our first negotiation meeting was held on March 10th.

*Charlotte Danielson Toolkit Training- Tina Williams provided teachers with training on the Charlotte Danielson Evaluation model. Members were given tools on how to create a portfolio, and to learn more about their evaluation. This was free for all members and open to non-members for a fee.

*Several members attended a training in Hailey and Twin Falls on School Law. This is an informative training that helps members learn to read the law and understand what it means. They also trained on Idaho Code of Ethics for Professional Educators.

* Many schools celebrated NEA's Read Across America Day. It is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading on March 2, the birthday of beloved children's author Dr. Seuss.
