Good Things

- PJHS students had their final reward party on March 16 for all students who earned at least 200 points for the quarter. [Ice Cream Day pic](#)

- Our students got extra help and attention from some high school students. The Communications PBL visited the high school on Monday to utilize their green screen as they finished up their next newscast. Mrs. Keeling's STEAM and Ms. Goethals Tech 101 PBL learned how to put together a 3D printer. Ms. Skinner's HS Tech Apps class visited to show them.

- Last Friday, we had around 100 students earned their way to MOVIEing into Spring. These students had no F's; no referrals, and no zeros. Thank you to the Panther Den and Student Council for your help in setting this incentive up for our students.

Class Meetings

- Next week, Mrs. Sowarsh will be discussing Mental Health Education with students. During this time she will be going over common diagnoses in a student friendly manner so that students gain some understanding of this topic from a trained adult.

Final Thoughts.....

- ★ Over diagnosis due to media
- ★ Lack of seeking help due to stigma
- ★ Self medication
- ★ KINDNESS
- ★ If ever concerned about yourself or friend - seek help
 - Tell an adult - Do not keep secrets
 - Have compassion and be a good listener
 - Do not spread drama

State Assessments

- All students will be taking the IAR March 29-30 in both reading and math. 8th grade students will also take the ISA the first week of April.

Extracurricular

- The 8th grade girls volleyball team was seeded 4th in regionals this year. They won their first game against the 1st seed - Sullivan and then ended their season with a hard fought loss against Shelbyville in the championship game.
- PJHS will be hosting the IESA 8-3A Girls Volleyball Tournament March 18-19 at the high school. Eight teams will be visiting Pana to compete for the state title,
- 7th & 8th grade track started last week. Their first meet is scheduled for March 26th.
